Comment on the Danish FSA's statement on inspection at Realkredit Danmark A/S

"We take note of the orders and make the necessary adjustments to comply with them. We emphasise that we stand by the credit quality of loans already granted, and we continue to have a strong focus on advising and protecting our customers when we provide loans, including in connection with the popular Flexlife loans," says Robert Wagner, Chief Risk Officer of Realkredit Danmark A/S.

The Danish FSA's statement is available at www.danskebank.com/investor-relations/regulation/the-danish-fsa.
