

EUR 60,000,000,000 EURO MEDIUM TERM NOTE PROGRAMME

This Base Prospectus has been approved by the Central Bank of Ireland (the “**Central Bank**”), as competent authority under the Prospectus Directive (as defined below). The Central Bank only approves this Base Prospectus as meeting the requirements imposed under Irish and European Union (“**EU**”) law pursuant to the Prospectus Directive. Such approval relates only to the Notes (as defined below) which are to be admitted to trading on a regulated market for the purposes of Directive 2004/39/EC and/or which are to be offered to the public in any Member State of the European Economic Area.

This Base Prospectus constitutes a base prospectus for the purposes of Article 5.4 of the Prospective Directive and has been prepared for the purpose of giving information with regard to the issue of notes (the “**Notes**”) under the programme (the “**Programme**”) during the period of twelve months from the date of its publication.

Application has been made to the Irish Stock Exchange for Notes issued under the Programme (other than Exempt Notes) to be admitted to the Official List and trading on its regulated market. References in this Base Prospectus to Notes being “**listed**” (and all related references) on the Irish Stock Exchange shall mean that such Notes have been admitted to the Official List and to trading on its regulated market. The regulated market of the Irish Stock Exchange is a regulated market for the purposes of Directive 2004/39/EC.

The Programme also permits Notes to be issued on the basis that they will not be admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system or to be admitted to listing, trading and/or quotation by such other or further listing authorities, stock exchanges and/or quotation systems as may be agreed with the Issuer (as defined below).

The requirement to publish a prospectus under the Prospectus Directive only applies to Notes which are to be admitted to trading on a regulated market in the European Economic Area and/or offered to the public in the European Economic Area other than in circumstances where an exemption is available under Article 3.2 of the Prospectus Directive (as implemented in the relevant Member State(s)). References in this Base Prospectus to “**Exempt Notes**” are to Notes for which no prospectus is required to be published under the Prospectus Directive. The Central Bank has neither approved nor reviewed information contained in this Base Prospectus in connection with Exempt Notes.

Under the Programme, Notes may be unsubordinated (“**Unsubordinated Notes**”) or subordinated (“**Subordinated Notes**”) as indicated in the relevant Final Terms or Pricing Supplement (each as defined below). The minimum denomination of each Unsubordinated Note admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which would otherwise require the publication of a prospectus under the Prospectus Directive will be EUR 1,000 (or, if the Unsubordinated Notes are denominated in a currency other than euro, the equivalent amount in such currency). The minimum denomination of each Subordinated Note admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which would otherwise require the publication of a prospectus under the Prospectus Directive will be EUR 100,000 (or, if the Subordinated Notes are denominated in a currency other than euro, the equivalent amount in such currency).

The Notes have not been and will not be registered under the U.S. Securities Act of 1933 (the “**Securities Act**”) and may include Notes in bearer form which are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or delivered within the United States or to U.S. persons. The Notes may be offered and sold outside the United States to non U.S. persons in reliance on Regulation S (“**Regulation S**”) under the Securities Act and within the United States to “qualified institutional buyers” (each, a “**QIB**”) as defined in and pursuant to Rule 144A under the Securities Act (“**Rule 144A**”). Prospective purchasers are hereby notified that sellers of the Notes may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A. For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of this Base Prospectus or any Final Terms or Pricing Supplement and other offering material relating to the Notes, see “Subscription and Sale”.

An investment in Notes issued under the Programme involves certain risks. Prospective purchasers of Notes should ensure that they understand the nature of the relevant Notes and the extent of their exposure to risks and that they consider the suitability of the relevant Notes as an investment in the light of their own circumstances and financial condition. For a discussion of these risks see “Risk Factors” below.

Danske Bank A/S (the “**Issuer**”) has confirmed to the dealers (the “**Dealers**”) named under “Subscription and Sale” that this Base Prospectus (including for this purpose, the relevant Final Terms or Pricing Supplement) is true, accurate and complete in all material respects and is not misleading; that any opinions and intentions expressed herein are honestly held, are based on reasonable assumptions and are not misleading; that there are no other facts in relation to the information contained or incorporated by reference in this Base Prospectus the omission of which would, in the context of the Programme or the issue of the Notes, make any statement herein or opinions or intentions expressed herein misleading in any material respect; and that all reasonable enquiries have been made to verify the foregoing.

No person has been authorised by the Issuer or any Dealer to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any other document entered into in relation to the Programme or any information supplied by the Issuer or such other information as is in the public domain and, if given or made, such information or representation should not be relied upon as having been authorised by the Issuer or any Dealer.

No representation or warranty is made or implied by the Dealers or any of their respective affiliates, and neither the Dealers nor any of their respective affiliates makes any representation or warranty or accepts any responsibility, as to the accuracy or completeness of the information contained in this Base Prospectus. Neither the delivery of this Base Prospectus, any Final Terms or any Pricing Supplement nor the offering, sale or delivery of any Note shall, in any circumstances, create any implication that the information contained in this Base Prospectus is true subsequent to the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that there has been no adverse change in the financial situation of the Issuer since the date thereof, or, as the case may be, the date upon which this Base Prospectus has been most recently supplemented or the balance sheet date of the most recent financial statements which are deemed to be incorporated into this Base Prospectus by reference or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The Notes have not been, and will not be, registered under the Securities Act or any state securities laws. Unless otherwise specified in any supplement to this Base Prospectus, each Series of Notes is initially being offered for sale outside the United States to non-U.S. persons in reliance on, and in accordance with, Regulation S or privately placed exclusively to persons reasonably believed by the relevant Dealer(s) to be QIBs within the meaning of Rule 144A. Each Tranche (as defined below) of Notes in registered form will be represented by a registered Note (each a “**Registered Note**”). Registered Notes which are sold in an “offshore transaction” within the meaning of Regulation S under the Securities Act (“**Regulation S Notes**”) will initially be represented by a permanent global registered Note (each a “**Regulation S Global Note**”) without interest coupons, which will be deposited on the relevant issue date either (a) in the case of a Series intended to be cleared through Euroclear Bank SA/NV (“**Euroclear**”) and/or Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”), with a common depository or common safe-keeper, as the case may be, on behalf of Euroclear and Clearstream, Luxembourg or (b) in the case of a Series intended to be cleared through a clearing system other than, or in addition to, Euroclear and/or Clearstream, Luxembourg, or delivered outside a clearing system, as agreed between the Issuer and the relevant Dealer(s). Registered Notes which are sold in the United States to QIBs within the meaning of Rule 144A (“**Rule 144A Notes**”) will initially be represented by a permanent global registered Note (each a “**Rule 144A Global Note**” and together with the Regulation S Global Notes, the “**Global Registered Notes**”), without interest coupons, which will be deposited on the relevant issue date with a custodian (the “**Custodian**”) for, and registered in the name of Cede & Co. as nominee for, The Depository Trust Company (“**DTC**”). **Neither this Base Prospectus nor any Final Terms or Pricing Supplement may be used for the purpose of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such an offer or solicitation.**

The distribution of this Base Prospectus and any Final Terms or Pricing Supplement and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus or any Final Terms or any Pricing Supplement comes are required by the Issuer and the Dealers to inform themselves about and to observe any such restrictions.

Neither this Base Prospectus nor any Final Terms or Pricing Supplement constitutes an offer or an invitation to subscribe for or purchase any Notes and should not be considered as a recommendation by the Issuer, the Dealers or any of them that any recipient of this Base Prospectus, any Final Terms or any Pricing Supplement should subscribe for or purchase any Notes. Each recipient of this Base Prospectus, any Final Terms or any Pricing Supplement shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer.

IMPORTANT INFORMATION RELATING TO NON-EXEMPT OFFERS OF NOTES

Restrictions on Non-exempt offers of Notes in Relevant Member States

Certain Tranches of Notes with a denomination of less than EUR 100,000 (or its equivalent in any other currency) may be offered in circumstances where there is no exemption from the obligation under the Prospectus Directive to publish a prospectus. Only Unsubordinated Notes will be issued with a denomination of less than EUR 100,000 (or its equivalent in any other currency) and references in this section “IMPORTANT INFORMATION RELATING TO NON-EXEMPT OFFERS OF NOTES” to “Notes” shall be construed accordingly. As used herein, the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State (as defined below)) and includes any relevant implementing measure in the Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU. Any such offer is referred to as a “**Non-exempt Offer**”. This Base Prospectus has been prepared on a basis that permits Non-exempt Offers of Notes. However, any person making or intending to make a Non-exempt Offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”) may only do so if this Base Prospectus has been approved by the competent authority in that Relevant Member State (or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State) and published in accordance with the Prospectus Directive, provided that the Issuer has consented to the use of this Base Prospectus in connection with such offer as provided under “Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)” below and the conditions attached to that consent are complied with by the person making the Non-exempt Offer of such Notes.

Save as provided above, neither the Issuer nor any Dealer has authorised, nor does any of them authorise, the making of any Non-exempt Offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)

In the context of a Non-exempt Offer of such Notes, the Issuer accepts responsibility, in the jurisdictions to which the consent to use the Base Prospectus extends, for the content of this Base Prospectus under Article 6 of the Prospectus Directive in relation to any person (an “**Investor**”) who acquires any Notes in a Non-exempt Offer made by any person to whom the Issuer has given consent to the use of this Base Prospectus (an “**Authorised Offeror**”) in that connection, provided that the conditions attached to that consent are complied with by the relevant Authorised Offeror. The consent and conditions attached to it are set out under “Consent” and “Common Conditions to Consent” below.

Neither the Issuer nor any Dealer makes any representation as to the compliance by an Authorised Offeror with any applicable conduct of business rules or other applicable regulatory or securities law requirements in relation to any Non-exempt Offer and neither the Issuer nor any Dealer has any responsibility or liability for the actions of that Authorised Offeror.

Save as provided below, neither the Issuer nor any Dealer has authorised the making of any Non-exempt Offer by any offeror and the Issuer has not consented to the use of this Base Prospectus by any other person in connection with any Non-exempt Offer of Notes. Any Non-exempt Offer made without the consent of the Issuer is unauthorised and neither the Issuer nor any Dealer accepts any responsibility or liability for the actions of the persons making any such unauthorised offer. If, in the context of a Non-exempt Offer, an Investor is offered Notes by a person who is not an Authorised Offeror, the Investor should check with that person whether anyone is responsible for this Base Prospectus for the purposes of Article 6 of the Prospectus Directive in the context of the Non-Exempt Offer and, if so, who that person is. If the Investor is in any doubt about whether it can rely on this Base Prospectus and/or who is responsible for its contents, it should take legal advice.

Consent

In connection with each Tranche of Notes and subject to the conditions set out below under “Common Conditions to Consent”, the Issuer consents to the use of this Base Prospectus (as supplemented as at the relevant time, if applicable) in connection with a Non-exempt Offer of such Notes by the relevant Dealer and by:

- (i) any financial intermediary named as an Initial Authorised Offeror in the relevant Final Terms; and
- (ii) any financial intermediary appointed after the date of the relevant Final Terms and whose name is published on the Issuer’s website (*www.danskebank.com*) and identified as an Authorised Offeror in respect of the relevant Non-exempt Offer.

Common Conditions to Consent

- (i) The conditions to the Issuer’s consent are that such consent:
- (ii) is only valid during the Offer Period specified in the relevant Final Terms;
- (iii) only extends to the use of this Base Prospectus to make Non-exempt Offers of the relevant Tranche of Notes in each Relevant Member State specified in the relevant Final Terms; and
- (iv) the consent is subject to any other conditions set out in Part B of the relevant Final Terms.

The only Relevant Member States which may, in respect of any Tranche of Notes, be specified in the relevant Final Terms (if any Relevant Member States are so specified) as indicated in (iii) above, will be Denmark and Ireland, and accordingly each Tranche of Notes may only be offered to Investors as part of a Non-exempt Offer in Denmark and Ireland, as specified in the relevant Final Terms, or otherwise in circumstances in which no obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

Arrangements Between Investors and Authorised Offerors

AN INVESTOR INTENDING TO ACQUIRE OR ACQUIRING ANY NOTES IN A NON-EXEMPT OFFER FROM AN AUTHORISED OFFEROR WILL DO SO, AND OFFERS AND SALES OF SUCH NOTES TO AN INVESTOR BY SUCH AUTHORISED OFFEROR WILL BE MADE, IN ACCORDANCE WITH ANY TERMS AND OTHER ARRANGEMENTS IN PLACE BETWEEN SUCH AUTHORISED OFFEROR AND SUCH INVESTOR INCLUDING AS TO PRICE, ALLOCATIONS AND SETTLEMENT ARRANGEMENTS. THE ISSUER WILL NOT BE A PARTY TO ANY SUCH ARRANGEMENTS WITH SUCH INVESTORS IN CONNECTION WITH THE NON-EXEMPT OFFER OR SALE OF THE NOTES CONCERNED AND, ACCORDINGLY, THIS BASE PROSPECTUS AND ANY FINAL TERMS WILL NOT CONTAIN SUCH INFORMATION. THE INVESTOR MUST LOOK TO THE RELEVANT AUTHORISED OFFEROR AT THE TIME OF SUCH OFFER FOR THE PROVISION OF SUCH INFORMATION AND THE RELEVANT AUTHORISED OFFEROR WILL BE RESPONSIBLE FOR SUCH INFORMATION. NEITHER THE ISSUER NOR ANY DEALER (EXCEPT

WHERE SUCH DEALER IS THE RELEVANT AUTHORISED OFFEROR) HAS ANY RESPONSIBILITY OR LIABILITY TO AN INVESTOR IN RESPECT OF SUCH INFORMATION.

The rating of certain Tranches of Notes to be issued under the Programme may be specified in the relevant Final Terms or Pricing Supplement. Whether or not each credit rating applied for in relation to a relevant Tranche of Notes will be issued by a credit rating agency established in the European Union and registered under Regulation (EU) No. 1060/2009, as amended (the “**CRA Regulation**”) will be disclosed in the relevant Final Terms or Pricing Supplement. In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration is not refused. A list of registered credit rating agencies is available on the European Securities and Markets Authority (“**ESMA**”) website at www.esma.europa.eu/page/List-registered-and-certified-CRAs (list last updated on 3 June 2013).

All references in this Base Prospectus to “**Danish Kroner**”, “**kroner**”, “**DKr**” or “**DKK**” are to the currency of Denmark, to “**EUR**” or “**euro**” are to the currency introduced at the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended, of those members of the European Union which are participating in the European economic and monetary union (the “**Eurozone**”), to “**CNY**” and “**Renminbi**” are to the lawful currency of the People’s Republic of China (the “**PRC**”) which, for the purposes of this definition only, excludes the Hong Kong Special Administrative Region of the PRC, the Macau Special Administrative Region of the PRC and Taiwan, to “**Japanese Yen**” or “**Yen**” are to the currency of Japan and all references to “**U.S.\$**”, “**USD**” and “**U.S. Dollars**” are to the currency of the United States of America.

SUMMARY OF THE BASE PROSPECTUS

Summaries are made up of disclosure requirements known as “**Elements**”. These Elements are numbered in Sections A – E (A.1 – E.7). This Summary contains all the Elements required to be included in a summary for the Notes and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element should be included in the summary explaining why it is not applicable.

Section D – Risks

Element	Title	
D.2	Key risks specific to the Issuer	<p>In purchasing Notes, investors assume the risk that the Issuer may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in the Issuer becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer may not be aware of all relevant factors and certain factors which it currently deems not to be material may become material as a result of the occurrence of events outside the Issuer’s control. The Issuer has identified in this Base Prospectus a number of factors which could materially adversely affect its business and ability to make payments due under the Notes. These factors include:</p> <ul style="list-style-type: none"> • the Group is exposed to a number of risks, the categories of which are credit risk, market risk, liquidity risk, operational risk, insurance risk and pension risk; • regulatory changes could materially affect the Issuer’s business; • the Issuer will face increased capital and liquidity requirements as a result of the new Basel III framework; • the Group may have to pay additional amounts under deposit guarantee schemes or resolution funds; and • the Group may be affected by general economic and geopolitical conditions.
D.3	Key information on key risks specific to the Notes	<p>There are also risks associated with specific types of Notes, and with the Notes and the markets generally including:</p> <ul style="list-style-type: none"> • an active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell its Notes; • if an investor holds Notes which are not denominated in the investor’s home currency, it will be exposed to movements in exchange rates adversely affecting the value of its holding; • [the value of the Notes may be adversely affected by movements in market interest rates;] • credit ratings assigned to the Issuer or the Notes may not reflect all the risks associated with an investment in the Notes and may be lowered, withdrawn or not maintained; • the Issuer is exposed to changing methodology by rating agencies;

		<ul style="list-style-type: none"> • the Notes may not be a suitable investment for all investors; • claims of holders may be subject to bail-in from 1 January 2018 and the Issuer may be subject to other resolution procedures; • [as the Issuer has the right to redeem the Notes at its option, this may limit the market value of the Notes concerned and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return;] • the Issuer has issued covered bonds and, if any relevant claims in respect of these covered bonds are not met out of the pool of assets or the proceeds arising from it, any remaining claims will subsequently rank <i>pari passu</i> with the Issuer's obligations under the Notes; • investors will have to rely on the clearing system procedures for transfer, payment and communication with the Issuer; • the terms and conditions of the Notes contain provisions which may permit their modification without the consent of all investors; • the value of the Notes could be adversely affected by a change in law or administrative practice; • Foreign Account Tax Compliance withholding may affect payments on the Notes; • [investors who purchase Notes in denominations that are not an integral multiple of the specified denomination may be adversely affected if definitive Notes are subsequently required to be issued][; and / .] • [the Renminbi is not freely convertible; there are significant restrictions on remittance of Renminbi into and outside the PRC; • there is only limited availability of Renminbi outside the PRC, which may affect the liquidity of the Renminbi Notes and the Issuer's ability to source Renminbi outside the PRC to service such Renminbi Notes; [and] • payments for Notes denominated in Renminbi will only be made to investors in the manner specified for such Notes in the conditions of the Notes[; / .] • [there are risks relating to Notes denominated in other emerging market currencies.]

RISK FACTORS

Prospective investors should read the entire Base Prospectus and reach their own views prior to making any investment decision.

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. All of these factors are contingencies that may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the Issuer may be unable to pay interest, principal or other amounts on or in connection with any Notes for other reasons which may not be considered significant risks by the Issuer based on information currently available to it and which it may not currently be able to anticipate.

The following is a general discussion of certain risks typically associated with the Issuer and the acquisition and ownership of Notes. In particular, it does not consider an investor's specific knowledge and/or understanding about risks typically associated with the Issuer and the acquisition and ownership of Notes, whether obtained through experience, training or otherwise, or the lack of such specific knowledge and/or understanding, or circumstances that may apply to a particular investor.

Words and expressions defined in the "Terms and Conditions of the Notes" below or elsewhere in this Base Prospectus have the same meanings in this section, unless otherwise stated. References to a numbered "Condition" shall be to the relevant Condition in the Terms and Conditions of the Notes.

Factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme

The Group is exposed to a number of risks, the categories of which are credit risk, market risk, liquidity risk, operational risk, insurance risk and pension risk

The Group is exposed to a number of risks, which it manages at different organisational levels. The categories of risk are as follows:

- Credit risk: Credit risk is the risk of losses arising because counterparties or debtors fail to meet all or part of their payment obligations. Credit risk includes the risk of losses if a sovereign state encounters financial difficulties, or losses because of political decisions on nationalisation and expropriation, for example.
- Market risk: The risk of loss because the fair value of the Group's assets, liabilities and off balance sheet items varies with changes in market conditions.
- Liquidity risk: The risk of loss because the Group's funding costs increase disproportionately, lack of funding prevents the Group from establishing new business, or lack of funding ultimately prevents the Group from meeting its obligations.
- Operational risk: The risk of loss resulting from inappropriate or inadequate internal processes, human or system errors, or external events. It includes legal risk.
- Insurance risk: All types of risk in the Danica group (which consists of the Issuer's subsidiary, Forsikringselskabet Danica, Skadeforsikringsaktieselskab af 1999, which is the parent company of Danica Pension, Livsforsikringsaktieselskab and its respective subsidiaries), including market risk, life insurance risk and operational risk.

- Pension risk: The risk of a pension shortfall in the Group's defined benefit plans that requires it to make additional contributions to cover pension obligations to current and former employees.

Regulatory changes could materially affect the Issuer's business

The Issuer is subject to financial services laws, regulations, administrative actions and policies in Denmark and in each other jurisdiction in which the Issuer carries on business. Changes in supervision and regulation, in particular in Denmark, could materially affect the Issuer's business, the products and services offered or the value of its assets. Although the Issuer works closely with its regulators and continually monitors the situation, future changes in regulation, fiscal or other policies can be unpredictable and are beyond the control of the Issuer.

The Issuer is subject to risks as a result of implementation of the European Union Banking Union. The Group has entities both within and outside the Eurozone. Accordingly these risks could include the outcome of the ECB asset quality review to be performed in 2014 on entities within the Eurozone as well as the manner in which the DFSA (as defined below) may implement a similar review of the Group.

The Issuer will face increased capital and liquidity requirements as a result of the new Basel III Framework

The final versions of the CRR and the CRD IV Directive (for the purposes of this "Risk Factors" section, in each case as defined in the risk factor headed "*Subordinated Notes will be subject to loss absorption at the point of non-viability of the Issuer*") adopted in June 2013 will enter into force by 1 January 2014 and with anticipated Danish implementation in the first half of 2014. The framework implements among other things the Basel Committee on Banking Supervision's proposals imposing stricter capital and liquidity requirements upon banks ("**Basel III**") in the EU. Each of the CRR and the CRD IV Directive covers a wide range of prudent requirements for banks across EU member states, including capital requirements, stricter and aligned definitions of capital, risk-weighted assets ("**RWA**"), leverage ratio, large exposure framework and liquidity and funding requirements. The CRD IV Directive covers the overall supervisory framework for banks (including the individual risk assessment) and other measures such as the combined capital buffer requirements, SIFI (as defined below) definition, governance and remuneration requirements.

The CRD IV Directive comes into force through implementation in the Danish Financial Business Act, whereas the CRR applies directly without implementation in national law. The phase-in of the capital requirements is expected to follow the path in the CRR until 2018 unless already required in applicable Danish legislation. The European Banking Authority ("**EBA**") will propose detailed rules through binding technical standards during the second-half of 2013 and 2014 for many areas including, *inter alia*, liquidity requirements and certain aspects of capital requirements.

For each systemically important financial institution ("**SIFI**"), there will be additional capital requirements beyond the minimum requirements. In October 2013 a political agreement on SIFI requirements was reached in Denmark. In the agreement, which has yet to be implemented into Danish law, the Issuer has been designated as a SIFI. According to the agreement, this will require the Issuer to comply with an additional CET1 capital requirement of 3 per cent. beyond the CRD IV requirement. The intention is for the capital requirements imposed on Danish SIFIs to be on a par with the requirements set in other comparable European countries. Accordingly the final level of the Danish SIFI capital requirements will be assessed no later than 2017 after evaluating these other countries' final requirements. Regulations for the crisis management of Danish SIFIs and other banks and mortgage-credit institutions will not be established until forthcoming common EU crisis management regulations have been agreed upon, in particular the RRD and SRM proposals, including whether there should be additional requirements for Danish banks to issue debt that can be bailed-in. The agreement specifically states that it is not the intention that Danish SIFIs shall be resolved pursuant to Bank Package III. A position on the Liquidity Coverage Ratio ("**LCR**") requirement for Danish SIFIs awaits the European Commission's decision in 2014 on the final definition of the LCR requirement, including clarification of which assets can be used in complying with the LCR requirement, in particular whether Danish covered bonds can be used. All SIFIs must comply with the LCR requirement by 2015.

The DFSA has also made orders against the Issuer concerning its use of the internal ratings-based approach in capital adequacy calculations, as set out in the “Description of the Danske Bank Group” section. The Issuer does not agree with the DFSA’s orders and has appealed to the Company Appeals Board.

See “Description of the Danske Bank Group” for a description of the impact on the Group of the new capital and liquidity requirements and, if the Issuer is unsuccessful in its appeal to the Company Appeals Board, the consequences of the orders from the DFSA.

The Group may have to pay additional amounts under deposit guarantee schemes or resolution funds

In Denmark and other jurisdictions, deposit guarantee schemes and similar funds (“**Deposit Guarantee Schemes**”) have been implemented from which compensation for deposits may become payable to customers of financial services firms in the event a financial services firm is unable to pay, or unlikely to pay, claims against it. In most jurisdictions in which the Group operates, these Deposit Guarantee Schemes are funded, directly or indirectly, by financial services firms which operate and/or are licensed in the relevant jurisdiction. Revised legislation regarding the Danish Deposit Guarantee Scheme (Bank Package IV (as defined below) and the Deposit Guarantee Scheme Directive) redefines the Danish scheme as a premium based scheme such that the participating banks’ payments to the scheme will be more stable every year in profit and loss terms. The premium payments will stop when a target level of 1 per cent. of covered deposits has been reached. The future target level of funds to be accumulated in Deposit Guarantee Schemes and resolution funds across different EU countries is still under consideration in the political negotiations regarding the RRD (for the purposes of this “Risk Factors” section, as defined in the risk factor headed “Loss absorption at the point of non-viability of the Issuer and resolution and Subordinated Notes”) and in discussions on a single resolution fund according to the proposal for a regulation establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund published by the European Commission on 10 July 2013 (the “**SRM**”). The final political agreement of RRD and SRM is anticipated during 2014, to be followed by the entry into force of both proposals and the transposition into national legislation of RRD.

The Group may be affected by general economic and geopolitical conditions

The financial services industry generally prospers in conditions of economic growth, stable geopolitical conditions, capital markets that are transparent, liquid and buoyant, and positive investor sentiment. Each of the Group’s operating segments is affected by general economic and geopolitical conditions, which can cause the Group’s results of operations and financial position to fluctuate from year to year as well as on a long-term basis.

The general economic environment for the financial sector in Europe was difficult in 2012. The economic headwinds continued with increased uncertainty surrounding the euro and the ability of some European nations to repay their debts. Policy measures and intervention from the ECB and other central banks gradually eased the situation, however. Although many issues remain to be resolved, there is growing confidence that the economic situation in Europe will eventually normalise. Low growth and interest rate levels are still to be expected for some time to come, also in our home markets.

Risks related to the market generally

Set out below is a brief description of certain market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

An active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell its Notes

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed

for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes. See also “The Group may be affected by general economic and geopolitical conditions” above.

If an investor holds Notes which are not denominated in the investor’s home currency, it will be exposed to movements in exchange rates adversely affecting the value of its holding. In addition, the imposition of exchange controls in relation to any Notes could result in an investor not receiving payments on those Notes

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor’s financial activities are denominated principally in a currency or currency unit (the “**Investor’s Currency**”) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor’s Currency) and the risk that authorities with jurisdiction over the Investor’s Currency or Specified Currency may impose or modify exchange controls. An appreciation in the value of the Investor’s Currency relative to the Specified Currency would decrease (i) the Investor’s Currency-equivalent yield on the Notes, (ii) the Investor’s Currency-equivalent value of the principal payable on the Notes and (iii) the Investor’s Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Issuer to make payments in respect of the Notes. As a result, investors may receive less interest or principal than expected, or no interest or principal as measured in the Investor’s Currency.

The value of Fixed Rate Notes may be adversely affected by movements in market interest rates

Investment in Fixed Rate Notes involves the risk that if market interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Fixed Rate Notes.

In addition, a holder of securities with a fixed interest rate that will be periodically reset during the term of the relevant securities, such as Notes to which the reset provisions apply, is also exposed to the risk of fluctuating interest rate levels and uncertain interest income.

Credit ratings assigned to the Issuer or any Notes may not reflect all the risks associated with an investment in those Notes and may be lowered, withdrawn or not maintained

One or more independent credit rating agencies may assign credit ratings to the Notes and/or the Issuer. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes or the standing of the Issuer. The expected rating(s), if any, of the Notes will be set out in the relevant Final Terms or Pricing Supplement for each Tranche of Notes. Any rating agency may lower its rating or withdraw its rating if, in the sole judgement of the rating agency, the credit quality of the Notes has declined or is in question. If any rating assigned to the Notes is lowered, withdrawn or not maintained, the market value of the Notes may be reduced. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

The Issuer is exposed to changing methodology by rating agencies

The Issuer is exposed to changes in the rating methodologies applied by rating agencies. Any adverse changes of such methodologies may materially and adversely affect the Issuer's operations or financial condition, the Issuer's willingness or ability to leave individual transactions outstanding and adversely affect the Issuer's capital market standing.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

The Notes may not be a suitable investment for all investors

Each potential investor of Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement to this Base Prospectus;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the currency in which such potential investor's financial activities are principally denominated;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to the investor's overall portfolio. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the assistance of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

The claims of Holders in respect of Subordinated Notes are subordinated

The Issuer may issue Subordinated Notes which will constitute direct, unsecured and subordinated debt obligations of the Issuer as described in Condition 5.2 (*Status – Subordinated Notes*).

The Issuer may issue other subordinated obligations or capital instruments that rank or are expressed to rank senior or junior to the Subordinated Notes, in each case as regards the right to receive periodic payments on a liquidation or bankruptcy of the Issuer and the right to receive repayment of capital on a liquidation or bankruptcy of the Issuer. In the event of a liquidation or bankruptcy of the Issuer, the Issuer will be required to pay its depositors, its unsubordinated creditors and its other subordinated creditors other than the present or future claims of creditors that rank or are expressed to rank *pari passu* with or junior to the Subordinated Notes in full before it can make any payments on the Subordinated Notes. If this occurs, the Issuer may not have enough assets remaining after these payments are made to pay amounts due under the Subordinated Notes.

The principal of, and accrued but unpaid interest in respect of, the Subordinated Notes may be reduced and cancelled in certain circumstances

In relation to Subordinated Notes, until 1 January 2014 or, if later, the date on which none of the Existing Tier 2 Capital Notes is outstanding, the shareholders of the Issuer may, upon the occurrence of a Reduction Event and pursuant to Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*), reduce and cancel (*inter alia*):

- (i) on a *pro rata* basis all or part of any of its arrears of interest (howsoever defined) (together with any additional interest amounts (howsoever defined)) under its other Tier 2 Capital and any of its other instruments (if any) expressed to be ranking *pari passu* therewith and all or part of any accrued but unpaid interest under the Subordinated Notes and its other Tier 2 Capital and any of its other instruments expressed to be ranking *pari passu* therewith and issued on or after 4 October 2013; and
- (ii) all or part of the Outstanding Principal Amounts of the Subordinated Notes on a *pro rata* basis with the outstanding nominal amount of all of its other Tier 2 Capital and any of its other instruments (if any) expressed to be ranking *pari passu* therewith,

provided that the requirements set out in Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*) are met. Investors should note that, while such reduction is not common, it is an appreciable risk and is not limited to the liquidation or bankruptcy of the Issuer.

There are certain Danish resolution regimes which may impact the Subordinated Notes

In Denmark, certain schemes were introduced in recent years to facilitate the orderly resolution of distressed banking institutions. The current Danish banking schemes do not contain any provisions that contemplate a statutory write down (or other similar impairment) of subordinated bank liabilities such as Subordinated Notes. The schemes, however, allow, *inter alia*, the Danish government to establish a new bank to take over all the assets and liabilities after the initial haircut, if applicable, from failing banks, excluding the failing bank's equity and subordinated capital (such as Subordinated Notes), before initiating bankruptcy proceedings against the failing bank. If the Issuer were to become subject to a resolution regime pursuant to such schemes, the relevant Holders may lose some or all of their investment in the relevant Subordinated Notes. See "Bank Packages" in "Description of the Danske Bank Group" below for a further description of these schemes. It should also be noted that it is currently unclear whether one or more of these schemes will be replaced (in whole or in part) by the proposals outlined in the draft RRD (as defined below) and SRM.

Subordinated Notes will be subject to loss absorption at the point of non-viability of the Issuer

On 6 June 2012, the European Commission published a legislative proposal for a directive providing for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms (the "**RRD**"). The stated aim of the draft RRD is to provide relevant authorities with common tools and powers to address banking crises pre-emptively in order to safeguard financial stability and minimise taxpayers' exposure to losses.

The powers provided to "resolution authorities" in the draft RRD include write down/conversion powers to ensure capital instruments (including Tier 2 capital instruments such as Subordinated Notes) fully absorb losses at the point of non-viability of the issuing institution. Accordingly, the draft RRD contemplates that resolution authorities will be required to write down such capital instruments in full on a permanent basis, or convert them in full into common equity tier 1 instruments ("**RRD Non-Viability Loss Absorption**"), before any resolution action is taken (see below). The draft RRD currently provides, *inter alia*, that resolution authorities shall exercise the write down power in a way that results in (i) common equity tier 1 instruments being written down first in proportion to the relevant losses and (ii) thereafter, the principal amount of other capital instruments (including Tier 2 capital instruments such as Subordinated Notes) being reduced on a permanent basis. Common equity tier 1 instruments may be issued to holders of other capital instruments that are written down.

The point of non-viability under the draft RRD is the point at which the national resolution authority determines if the institution meets the condition for resolution, which is defined as:

- (i) the institution is failing or likely to fail, which means:
 - (a) the institution has incurred/is likely to incur in a near future losses depleting all or substantially all its own funds; and/or
 - (b) the assets are/will be in a near future less than its liabilities; and/or
 - (c) the institution is/will be in a near future unable to pay its obligations; and/or
 - (d) the institution requires public financial support;
- (ii) there is no reasonable prospect that a private action would prevent the failure; and
- (iii) a resolution action is necessary in the public interest.

The draft RRD contemplates that it will be implemented in Member States by 31 December 2014, with the RRD Non-Viability Loss Absorption provisions (*inter alia*) becoming effective as of 1 January 2015.

An additional bail-in tool, which comprises a more general power for resolution authorities to write down the claims of unsecured creditors of a failing institution and/or to convert unsecured debt claims into equity, is expected to be implemented under the RRD as of 1 January 2018. See “*Claims of Holders may be subject to bail-in from 1 January 2018 and the Issuer may be subject to other resolution procedures under RRD*” below for a description of the risks relating to this additional bail-in tool and additional powers of resolution authorities under the draft RRD.

The draft RRD currently represents the only official proposal for the implementation in the European Economic Area of the non-viability requirements set out in the press release dated 13 January 2011 issued by the Basel Committee on Banking Supervision (the “**Basel Committee**”) entitled “Minimum requirements to ensure loss absorbency at the point of non-viability” (the “**Basel III Non-Viability Requirements**”). The Basel III Non-Viability Requirements form part of the broader Basel III package of new capital and liquidity requirements (as described above under “Basel III Framework” and in more detail under “European implementation of the Basel III Framework” in “Description of the Danske Bank Group” below) intended to reinforce capital standards and to establish minimum liquidity standards for credit institutions.

The Basel Committee contemplated implementation of the Basel III reforms as of 1 January 2013. However, implementation of these reforms in the European Economic Area has been delayed but will be by way of the Directive of the European Parliament and of the Council on prudential requirements for credit institutions and investment firms (the “**CRD IV Directive**”) and the Regulation of the European Parliament and of the Council on prudential requirements for credit institutions and investment firms (the “**CRR**”). These texts were published in the Official Journal of the European Union on 27 June 2013. They will enter into force by 1 January 2014 and with anticipated Danish implementation in the first half of 2014. The CRR contemplates that the Basel III Non-Viability Requirements will be implemented in the European Economic Area by way of the RRD and the RRD Non-Viability Loss Absorption. If such statutory loss absorption at the point of non-viability is not implemented by 31 December 2015 then the CRR indicates that the European Commission shall review and report on whether a provision should be included in the CRR and, in light of that review, come forward with appropriate legislative proposals.

It is currently unclear whether RRD Non-Viability Loss Absorption, when implemented, will apply to capital instruments (such as Subordinated Notes) that are already in issue at that time or whether certain grandfathering rules will apply. If and to the extent that such provisions, when implemented, apply to Subordinated Notes, and/or if the Basel III Non-Viability Requirements become applicable to Subordinated Notes at any time, Subordinated Notes may be subject to write down or conversion to common equity tier 1 instruments

upon the occurrence of the relevant trigger event, which may result in Holders losing some or all of their investment in Subordinated Notes. The exercise of any such power or any suggestion or anticipation of such exercise could, therefore, materially adversely affect the value of Subordinated Notes.

The draft RRD is not in final form and changes may be made to it in the course of the legislative process. In addition, as noted above, it is unclear whether the Basel III Non-Viability Requirements could be applied in respect of Subordinated Notes ahead of implementation of the RRD. Accordingly, it is not yet possible to assess the full impact of the relevant loss absorption provisions. There can be no assurance that, once implemented, the fact of applicable loss absorption provisions or the taking of any actions currently contemplated or as finally reflected in such provisions would not adversely affect the price or value of a Holder's investment in Subordinated Notes and/or the ability of the Issuer to satisfy its obligations under Subordinated Notes.

There are limited enforcement events in relation to Subordinated Notes

Each Series of Subordinated Notes will contain limited enforcement events relating to:

- (i) non-payment by the Issuer of any amounts due under the relevant Series of Subordinated Notes. In such circumstances, as described in more detail in Condition 16 (*Enforcement Events*) and subject as provided below, a Holder may institute proceedings in Denmark in order to recover the amounts due from the Issuer to such Holder; and
- (ii) the liquidation or bankruptcy of the Issuer. In such circumstances, as described in more detail in Condition 16 (*Enforcement Events*), the relevant Series of Subordinated Notes will become due and payable at their Outstanding Principal Amounts, together with accrued interest thereon.

A Holder of Subordinated Notes may not itself file for the liquidation or bankruptcy of the Issuer.

Claims of Holders may be subject to bail-in from 1 January 2018 and the Issuer may be subject to other resolution procedures under RRD

The Notes are unsecured obligations of the Issuer. The draft RRD contemplates that resolution authorities will have the power to write down the claims of unsecured creditors of a failing institution and/or to convert unsecured debt claims to equity (which may include the Notes, subject to certain parameters as to which liabilities could be eligible for the bail-in tool). It is not contemplated that the bail-in tool will be applied before 1 January 2018. The draft RRD currently provides that a write down/conversion resulting from the use of the bail-in tool would, in summary, follow the ordinary allocation of losses and ranking in an insolvency of the relevant institution.

The draft RRD also provides resolution authorities with broader powers to implement other resolution measures with respect to distressed banks, which may include (without limitation) the replacement or substitution of the bank as obligor in respect of debt instruments, modifications to the terms of debt instruments (including altering the maturity and/or the amount of interest payable and/or imposing a temporary suspension on payments) and discontinuing the listing and admission to trading of financial instruments.

As noted above in "*Subordinated Notes will be subject to loss absorption at the point of non-viability of the Issuer*", the draft RRD is not in final form and changes may be made to it in the course of the legislative process. It is also not yet possible to assess the full impact of the draft RRD, including the extent to which the application of the bail-in tool or any other resolution measure will affect instruments such as the Notes. However, the exercise of any such tool or measure or any suggestions of its exercise could materially adversely affect the value of the Notes.

If the Issuer has the right to redeem any Notes at its option, this may limit the market value of the Notes concerned and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return

A Series of Notes may include certain optional redemption features. For example, in the case of Subordinated Notes, subject as provided herein, including Condition 10.10 (*Conditions to redemption etc. prior to Maturity Date*), the Issuer may, at its option, redeem all (but not some only) of a Series of Subordinated Notes at their Outstanding Principal Amounts, together with accrued interest thereon, upon the occurrence of a Tax Event or a Capital Event. Any such optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of such Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

The Issuer has issued covered bonds. If any relevant claims in respect of these covered bonds are not met out of the pool of assets or the proceeds arising from it, any remaining claims will subsequently rank pari passu with the Issuer's obligations under the Unsubordinated Notes and ahead of the Issuer's obligations under the Subordinated Notes

The Issuer has issued covered bonds in accordance with the Danish Financial Business Act.

In accordance with the UCITS Directive and the Capital Requirement Directive, the covered bonds have the benefit of priority over a matched pool of assets upon bankruptcy of the Issuer. To the extent that claims in relation to the covered bonds and related derivative contracts, any refinancing bonds issued by the administrator, any short-term loans taken out by the administrator and any senior debt (if any) issued with the benefit of the assets in the cover pool are not met out of the pool of assets or the proceeds arising from it, the residual claims will rank *pari passu* with the unsecured and unsubordinated obligations of the Issuer, including obligations on the Unsubordinated Notes and ahead of the subordinated obligations of the Issuer, including obligations on the Subordinated Notes.

Risks related to Notes generally

Because the Global Notes are held by or on behalf of Euroclear, Clearstream, Luxembourg and/or DTC, as the case may be, investors will have to rely on the clearing system procedures for transfer, payment and communication with the Issuer.

Bearer Notes and Registered Notes issued under the Programme may be represented by one or more Global Notes. In relation to Bearer Notes, Global Notes will be deposited with a common depositary or common safe-keeper, as the case may be, for Euroclear and Clearstream, Luxembourg. In relation to Registered Notes, Regulation S Global Notes will be deposited with a common depositary or common safe-keeper, as the case may be, on behalf of Euroclear and Clearstream, Luxembourg, and Rule 144A Global Notes will be deposited with the Custodian for, and registered in the name of Cede & Co. as nominee for, DTC. Except in the circumstances described in the relevant Global Note, investors will not be entitled to receive Definitive Notes. Euroclear, Clearstream, Luxembourg and DTC will maintain records of the beneficial interests in the Global Notes. While the Notes are in global form, investors will be able to trade their beneficial interests only through Euroclear, Clearstream, Luxembourg or DTC, as the case may be.

While the Notes are in global form, the Issuer will discharge its payment obligations under the Notes by making payments (i) to a common depositary (for Bearer Notes which are Classic Global Notes and Regulation S Notes which are not held under the NSS (as defined below)) or (ii) to a common safe-keeper (for Bearer Notes

which are New Global Notes or Regulation S Notes which are held under the NSS) or (iii) to the Custodian for, and registered in the name of Cede & Co. as nominee for, DTC (for Rule 144A Notes). A holder of a beneficial interest in a Global Note must rely on the procedures of Euroclear, Clearstream, Luxembourg and/or DTC, as the case may be, to receive payments under the relevant Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in such a Global Note.

Because the VP Systems Notes are dematerialised securities, investors will have to rely on the clearing system procedures for transfer, payment and communication with the Issuer.

VP Systems Notes issued under the Programme will not be evidenced by any physical note or document of title other than statements of account made by the VP, VP Lux, VPS or Euroclear Sweden, as the case may be. Ownership of VP Systems Notes will be recorded and transfer effected only through the book entry system and register maintained by the VP, VP Lux, VPS or Euroclear Sweden, as the case may be.

The Terms and Conditions of the Notes contain provisions which may permit their modification without the consent of all investors

The Terms and Conditions of the Notes contain provisions for calling meetings of Holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

In addition, the Issuer may, subject to Condition 10.10 (*Conditions to redemption etc. prior to Maturity Date*) in the case of Subordinated Notes, make any modification to the Notes of any Series, the Terms and Conditions of the Notes of any Series, the Agency Agreement and/or the Deed of Covenant which is not prejudicial to the interests of the Holders of such Series without the consent of the Holders of such Series. Any such modification shall be binding on the Holders of such Series.

Change of law

The Terms and Conditions of the Notes will be governed by the laws of England, except for (i) Condition 5.2 (*Status – Subordinated Notes*), Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*), Condition 10.2(B) (*Early redemption upon the occurrence of a Tax Event: Subordinated Notes*), Condition 10.3 (*Early redemption upon the occurrence of a Capital Event*) and Condition 16 (*Enforcement Events*) and the registration of Notes in the VP, which shall be governed by, and construed in accordance with, Danish law and (ii) the registration of Notes in the VP Lux, VPS or Euroclear Sweden, which shall be governed by, and construed in accordance with, Luxembourg law, Norwegian law and Swedish law, respectively. No assurance can be given as to the impact of any possible judicial decision or change to the laws of England, Denmark, Luxembourg, Norway or Sweden or administrative practice after the date of this Base Prospectus and any such change could materially adversely impact the value of any Notes affected by it.

Foreign Account Tax Compliance Act withholding may affect payments on the Notes

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (“**FATCA**”) impose a new reporting regime and, potentially, a 30 per cent. withholding tax with respect to (i) certain payments from sources within the United States, (ii) “foreign pass thru payments” made to certain non-U.S. financial institutions that do not comply with this new reporting regime, and (iii) payments to certain investors that do not provide identification information with respect to interests issued by a participating non-U.S. financial institution. Whilst any Notes are in global form and held within the clearing systems, in all but the most remote circumstances, it is not expected that FATCA will affect the amount of any payment received by the clearing systems in respect of such Notes. However, FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any

information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA) and provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. The Issuer's obligations under Notes are discharged once it has paid the clearing systems in respect thereof and the Issuer has, therefore, no responsibility for any amount thereafter transmitted through the hands of the clearing systems and custodians or intermediaries. Prospective investors should refer to the section "Taxation - Foreign Account Tax Compliance Act."

Investors who purchase Bearer Notes in denominations that are not an integral multiple of the Specified Denomination may be adversely affected if Definitive Notes are subsequently required to be issued

In relation to any issue of Bearer Notes which have denominations consisting of a minimum Specified Denomination plus an integral multiple of another smaller amount in excess thereof, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a Holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in its account with the relevant clearing system at the relevant time may not receive a Definitive Note in respect of such holding (should Definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If Definitive Notes are issued, Holders should be aware that Definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Certain Dealers may transact with or perform services for the Issuer in the ordinary course of business

Certain of the Dealers and their affiliates have engaged, and may in the future, engage in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and its affiliates in the ordinary course of business.

The recognition as eligible collateral for the Eurosystem and intra-day credit operations by the Eurosystem of New Global Notes and Registered Notes held under the NSS is dependent upon satisfaction of the Eurosystem eligibility criteria at the relevant time

Although, in the case of Bearer Notes which are Unsubordinated Notes, the New Global Note form and, in the case of Registered Notes, the NSS have been introduced to allow for the possibility of Bearer Notes and Registered Notes, respectively, being issued and held in a manner which will permit them to be recognised as eligible collateral for monetary policy of the central banking system for the Eurosystem and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life, in any particular case such recognition will depend upon satisfaction of the Eurosystem eligibility criteria at the relevant time.

Notes denominated in Renminbi and in other emerging market currencies are subject to additional risks

Set out below is a description of the principal risks which may be relevant to an investor in Notes denominated in Renminbi and other emerging markets currencies:

The Renminbi is not freely convertible; there are significant restrictions on remittance of Renminbi into and outside the PRC

The Renminbi is not freely convertible at present. The PRC government continues to regulate conversion between the Renminbi and foreign currencies, despite the significant reduction over the years by the PRC government of control over routine foreign exchange transactions under current accounts. Participating banks in Hong Kong have been permitted to engage in the settlement of Renminbi trade transactions under a pilot scheme introduced in July 2009. This represents a current account activity. Subject to limited exceptions, there is currently no specific PRC regulation on the remittance of Renminbi into the PRC for settlement of capital account items.

Foreign investors may only remit offshore Renminbi into the PRC for capital account purposes such as shareholders' loan or capital contribution upon obtaining specific approvals from the relevant authorities on a case-by-case basis. Regulations in the PRC on the remittance of Renminbi into the PRC for settlement of capital account items are developing gradually.

There is no assurance that the PRC government will continue to liberalise gradually the control over cross-border Renminbi remittances in the future, that the pilot scheme will not be discontinued or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC.

There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of the CNY Notes (as defined in the Terms and Conditions of the Notes) and the Issuer's ability to source Renminbi outside the PRC to service such CNY Notes

As a result of the restrictions by the PRC government on cross-border Renminbi fund flows, the availability of Renminbi outside the PRC is limited.

Although it is expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that access to Renminbi for the purposes of making payments under the Notes by the Issuer (or generally) will remain, that no new PRC regulations will be promulgated or that the revised "Settlement Agreement on the Clearing of Renminbi Business" signed on 19 July 2010 will not be terminated or amended in the future (which will have the effect of restricting availability of Renminbi offshore). The limited availability of Renminbi outside the PRC may affect the liquidity of the Notes. To the extent the Issuer is required to source Renminbi in the offshore market to service the CNY Notes, there is no assurance that the Issuer will be able to source such Renminbi on satisfactory terms, if at all. If Currency Events are specified as applying in the relevant Final Terms or Pricing Supplement, the occurrence of a Currency Event (as defined in the Terms and Conditions of the Notes) may, at the option of the Issuer, lead to postponement of payments under the Notes or payment in an alternative currency.

Payments for CNY Notes will only be made to investors in the manner specified for such Notes in the conditions of the Notes

Investors may be required to provide certification and other information (including Renminbi account information) in order to be allowed to receive payments in Renminbi in accordance with the Renminbi clearing and settlement system for participating banks in Hong Kong. Except in the limited circumstances stipulated in Condition 10.11, all payments to investors in respect of CNY Notes will be made solely (i) for so long as such Notes are represented by a Temporary Global Note or a Permanent Global Note, by transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing Euroclear and Clearstream, Luxembourg rules and procedures, or (ii) in the case of Definitive Notes, by transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing rules and regulations; the Issuer cannot be required to make payment by any other means (including in any other currency or by transfer to a bank account in the PRC).

Risks relating to Notes denominated in other emerging market currencies

Where the Notes are denominated in certain other emerging market currencies (each an "**Emerging Market Currency**") including, without limitation, the Russian Ruble, Mexican Peso or Turkish Lira, prospective investors in the Notes should be aware that Emerging Market Currencies may not be freely convertible and, in each case, the availability of the relevant Emerging Market Currency outside the relevant country may be limited.

In the case of Notes denominated in an Emerging Market Currency, there can be no assurance that access to funds in the relevant Emerging Market Currency for the purposes of making payments under the Notes or generally will remain available or will not become restricted. The value of an Emerging Market Currency against foreign currencies fluctuates and may be affected by changes in the relevant country's and international political and economic conditions and by many other factors. As a result, foreign exchange fluctuations between the

Investor's Currency and an Emerging Market Currency may affect an investor who intends to convert gains or losses from the sale or redemption of the Notes into the Investor's Currency.

If Currency Events are specified as applying in the relevant Final Terms or Pricing Supplement, the occurrence of a Currency Event (as defined in the Terms and Conditions of the Notes) may, at the option of the Issuer, lead to postponement of payments under the Notes or payment in an alternative currency.

liquidation or bankruptcy of the Issuer, provided that a Holder may not itself file for the liquidation or bankruptcy of the Issuer.

Meetings of Holders and Modifications: Notes contain provisions for calling meetings of Holders of a Series to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders of such Series including Holders of such Series who did not attend and vote at the relevant meeting and Holders of such Series who voted in a manner contrary to the majority.

The Issuer may also, subject to Condition 10.10 (*Conditions to redemption etc. prior to Maturity Date*) in the case of Subordinated Notes, make any modification to the relevant Series of Notes which is not prejudicial to the interests of the Holders of such Series without the consent of the Holders of such Series. Any such modification shall be binding on the Holders of such Series.

In that event, the Issuer shall, save in limited circumstances provided in Condition 14 (*Taxation*), be required to pay such additional amounts as will result in receipt by the Holders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required.

Governing Law: The Notes shall be governed by, and shall be construed in accordance with, English law except for Condition 5.2 (*Status – Subordinated Notes*), Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*), Condition 10.2(B) (*Early redemption for tax reasons: Subordinated Notes*), Condition 10.3 (*Early redemption upon the occurrence of a Capital Event*) and Condition 16 (*Enforcement Events*) and the registration of Notes in the VP, which shall be governed by, and shall be construed in accordance with, Danish Law. In the case of the registration of Notes in the VP Lux, the VPS or Euroclear Sweden, such registration shall be governed by, and shall be construed in accordance with, Luxembourg law, Norwegian law and Swedish law, respectively.

VP Systems Notes must comply with the relevant regulations of the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, and the holders of VP Systems Notes will be entitled to the rights and are subject to the obligations and liabilities which arise under the relevant Danish, Luxembourg, Norwegian or Swedish regulations and legislation.

Enforcement of Notes in Global Form: In the case of Global Notes, individual investors' rights against the Issuer will be governed by a Deed of Covenant dated 15 November 2013, a copy of which will be available for inspection at the specified office of the Fiscal Agent.

Ratings: The Programme and the Issuer have been rated by the following rating agencies: Moody's Investors Service Ltd. ("**Moody's**"), Standard & Poor's

Credit Market Services Europe Limited (“**S&P**”) and Fitch Ratings Ltd (“**Fitch**”):

The Programme and Issuer ratings are as follows:

	Moody’s	S&P	Fitch
senior unsubordinated long-term debt/long-term Issuer default rating	Baa1	A-	A

Each of Moody’s, S&P and Fitch is established in the European Union and is registered under the CRA Regulation and is included in the list of credit rating agencies registered in accordance with the CRA Regulation as of the date of this Base Prospectus. This list is available on the ESMA website at www.esma.europa.eu/page/List-registered-and-certified-CRAs (list last updated on 3 June 2013). Whether or not each credit rating applied for in relation to a Tranche of Notes will be issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Final Terms or Pricing Supplement.

However, there is no guarantee that any rating of the Programme and/or the Issuer assigned by any such rating agency will be maintained following the date of this Base Prospectus, and the Issuer may seek to obtain ratings of the Programme and/or the Issuer from other rating agencies.

Tranches of Notes issued under the Programme may be rated or unrated and, if rated, rated by fewer than the three mentioned (or other) rating agencies. Where a Tranche of Notes is rated, such rating (which may be an expected rating) will not necessarily be the same as the rating(s) assigned to the Programme and/or the same as the rating(s) assigned to previous Tranches of Notes already issued, and will be specified in the relevant Final Terms or Pricing Supplement. There is no guarantee that any of the rating(s) of any Tranche of Notes will be maintained following the date of the relevant Final Terms or Pricing Supplement.

A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. Up-to-date information should always be sought by direct reference to the relevant rating agency.

Selling Restrictions:

There are restrictions on the transfer of Regulation S Notes prior to the expiration of the relevant distribution compliance period, see “Subscription and Sale” below. For a description of additional restrictions on offers, sales and deliveries of Notes and on the distribution of offering material in the United States of America, the European Economic Area, the United Kingdom, Japan, Denmark and the PRC, see “Subscription and Sale” below.

Exempt Notes:

The Issuer may agree with any Dealer that Exempt Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes and this General Description of the Programme, in which event the relevant provisions will be included in the relevant Pricing Supplement (as defined herein).

OVERVIEW OF FORM OF THE NOTES

Words and expressions defined in “Terms and Conditions of the Notes” herein shall have the same meanings in this “Overview of Form of the Notes”.

The Notes of each Series will be in bearer form, registered form or, in the case of VP Systems Notes, uncertificated and dematerialised book entry form.

Form of Bearer Notes

Each Tranche of Bearer Notes will initially be in the form of either a temporary global note (the “**Temporary Global Note**”), without interest Coupons, or a permanent global note (the “**Permanent Global Note**” and together with the Permanent Global Note and the Global Registered Notes (as defined above), the “**Global Notes**” and each a “**Global Note**”), without interest Coupons, in each case as specified in the relevant Final Terms or Pricing Supplement. Each Temporary Global Note or, as the case may be, Permanent Global Note which is intended to be issued in CGN form, as specified in the relevant Final Terms or Pricing Supplement, will be deposited on or around the issue date of the relevant Tranche of the Notes with a depositary or a common depositary for Euroclear and Clearstream, Luxembourg and each Global Note which is intended to be issued in NGN form as specified in the relevant Final Terms or Pricing Supplement, will be deposited on or around the relevant issue date with a common safe-keeper for Euroclear and/or Clearstream, Luxembourg.

If the Notes have a maturity of more than 1 year, unless the relevant Final Terms or Pricing Supplement specifies that United States Treasury Regulation §1.163-5(c)(2)(i)(C) (the “**TEFRA C Rules**”) are applicable in relation to the Notes, United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the “**TEFRA D Rules**”) will apply in relation to the Notes. If the Notes do not have a maturity of more than 1 year, neither the TEFRA C Rules nor the TEFRA D Rules are applicable.

Temporary Global Note exchangeable for Permanent Global Note

If the relevant Final Terms or Pricing Supplement specifies the form of Notes as being “Temporary Global Note exchangeable for a Permanent Global Note”, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for interests in a Permanent Global Note, without interest coupons, not earlier than forty days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure (in the case of first exchange) the delivery (free of charge to the bearer) of such Permanent Global Note, duly authenticated and, in the case of a NGN, effectuated, to the bearer of the Temporary Global Note or (in the case of any subsequent exchange of a part of the Temporary Global Note) an increase in the principal amount of the Permanent Global Note in accordance with its terms against:

- (i) presentation and (in the case of final exchange) surrender of the Temporary Global Note to or to the order of the Fiscal Agent; and
- (ii) in either case, receipt by the Fiscal Agent of a certificate or certificates of non-U.S. beneficial ownership,

within seven days of the bearer requesting such exchange.

In the case of Unsubordinated Notes the principal amount of Notes represented by the Permanent Global Note shall be equal to the aggregate of the principal amounts specified in the certificates of non-U.S. beneficial ownership; provided, however, that in no circumstances shall the principal amount of Notes represented by the Permanent Global Note exceed the initial principal amount of Notes represented by the Temporary Global Note.

In case of Subordinated Notes, the Outstanding Principal Amounts of the Subordinated Notes represented by the Permanent Global Note shall be equal to the aggregate of the original principal amounts specified in the certificates of non-U.S. beneficial ownership as adjusted to reflect any reduction pursuant to Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*) and/or any reduction as otherwise required by then current legislation and/or regulations applicable to the Issuer; provided, however, that in no circumstances shall the Outstanding Principal Amounts of the Subordinated Notes represented by the Permanent Global Note exceed the initial principal amount of Notes represented by the Temporary Global Note.

Temporary Global Note exchangeable for Definitive Notes

If the relevant Final Terms or Pricing Supplement specifies the form of Notes as being “Temporary Global Note exchangeable for Definitive Notes”, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for Bearer Notes in definitive form (“**Definitive Notes**”) not earlier than forty days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms or Pricing Supplement), in:

- (i) in the case of Unsubordinated Notes, an aggregate principal amount equal to the aggregate of the principal amounts specified in the certificates of non-U.S. beneficial ownership; or
- (ii) in the case of Subordinated Notes, in Outstanding Principal Amounts equal to the aggregate of the original principal amounts specified in the certificates of non-U.S. beneficial interest as adjusted to reflect any reduction pursuant to Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*) and/or any reduction as otherwise required by then current legislation and/or regulations applicable to the Issuer,

in each case, to the bearer of the Temporary Global Note against presentation and (in the case of final exchange) surrender of the Temporary Global Note to or to the order of the Fiscal Agent within thirty days of the bearer requesting such exchange.

Permanent Global Note exchangeable for Definitive Notes

If the relevant Final Terms or Pricing Supplement specifies the form of Notes as being “Permanent Global Note exchangeable for Definitive Notes”, then the Notes will initially be in the form of a Permanent Global Note. If the relevant Final Terms or Pricing Supplement specifies the form of Notes as being “Temporary Global Note exchangeable for a Permanent Global Note which is exchangeable for Definitive Notes”, then the Notes will be initially in the form of a Temporary Global Note which will be exchangeable for a Permanent Global Note as set out above. In each case, the Permanent Global Note will be exchangeable, in whole but not in part only and at the request of the bearer of the Permanent Global Note, for Definitive Notes:

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms or Pricing Supplement; or
- (ii) at any time, if so specified in the relevant Final Terms or Pricing Supplement, save that this paragraph (ii) shall not apply if the relevant Final Terms or Pricing Supplement specify denominations consisting of a minimum Specified Denomination plus one or more integral multiples of another smaller amount; or
- (iii) if the relevant Final Terms or Pricing Supplement specifies “in the limited circumstances described in the Permanent Global Note”, then if:

- (a) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of fourteen days (other than by reason of legal holidays) or announces an intention permanently to cease business or in fact does so; or
- (b) in the case of Unsubordinated Notes, any of the circumstances described in Condition 15 (*Events of Default*) occurs or, in the case of Subordinated Notes, any of the circumstances described in Condition 16 (*Enforcement Events*) occurs.

The Permanent Global Note will also become exchangeable, in whole but not in part only and at the request of the Issuer, for Definitive Notes if, by reason of any change in the laws of Denmark, the Issuer will be required to make any withholding or deduction from any payment in respect of the Notes which would not be required if the Notes are in definitive form.

Interest-bearing Definitive Notes will have attached thereto at the time of their initial delivery Coupons. Interest-bearing Definitive Notes, if so specified in the relevant Final Terms or Pricing Supplement, will have attached thereto at the time of their initial delivery, Talons for further coupons and the expression Coupons shall, where the context so requires, include Talons.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms or Pricing Supplement), in an aggregate principal amount equal to, in the case of Unsubordinated Notes, the principal amount of the Permanent Global Note or, in the case of Subordinated Notes, the Outstanding Principal Amounts of the Notes represented by the Permanent Global Note, in each case, to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Fiscal Agent within thirty days of (i) the bearer or, as the case may be, the Issuer requesting such exchange or (ii) the expiry of the relevant period of notice.

In the case of Subordinated Notes, each Definitive Note shall state that accrued but unpaid interest and/or its Outstanding Principal Amount may be reduced and cancelled from time to time pursuant to Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*) and/or reduced as otherwise required by then current legislation and/or regulations applicable to the Issuer and that details of its Outstanding Principal Amount may be obtained during normal business hours at the Specified Office of the Fiscal Agent.

The Permanent Global Note also provides, *inter alia*, that:

- (i) if Definitive Notes have not been delivered in accordance with the terms of the Permanent Global Note by 6.00 p.m. (London time) on the thirtieth day after the day on which such Permanent Global Note becomes due to be exchanged; or
- (ii) if the Permanent Global Note (or any part thereof) becomes due and payable in accordance with the Terms and Conditions or the date for final redemption of the Permanent Global Note has occurred, and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made on the due date for payment by 6.00 p.m. (London time) on such due date,

then such Permanent Global Note will become void in accordance with its terms but without prejudice to the rights conferred by the Deed of Covenant.

Form of Registered Notes

Each Tranche of Registered Notes will initially be represented by a Global Registered Note which will either be a Regulation S Global Note (representing Regulation S Notes) or a Rule 144A Global Note (representing Rule 144A Notes). Registered Notes will be in substantially the forms (subject to amendment and completion) scheduled to the Agency Agreement. Notes issued in registered form will not be represented upon issue by a Temporary Global Note and Registered Notes will not be exchangeable for Bearer Notes.

Upon the initial deposit of a Regulation S Global Note in respect of Registered Notes, registration of such Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg or, in the case of Registered Notes held under NSS, in the name of a nominee of the common safe-keeper, and delivery of the relevant Global Note to the common depositary or common safe-keeper, as the case may be, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Upon the initial deposit of a Rule 144A Global Note in respect of Registered Notes, registration of such Registered Notes in the name of Cede & Co. as nominee for DTC and delivery of the relevant Global Note to the Custodian for DTC, DTC will credit each participant with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

A Regulation S Global Note will be deposited on the relevant issue date either (a) in the case of a Series intended to be cleared through Euroclear and/or Clearstream, Luxembourg, with a common depositary or common safe-keeper, as the case may be, on behalf of Euroclear and Clearstream, Luxembourg or (b) in the case of a Series intended to be cleared through a clearing system other than, or in addition to, Euroclear and/or Clearstream, Luxembourg, or delivered outside a clearing system, as agreed between the Issuer and the relevant Dealer(s).

A Rule 144A Global Note will be deposited on the relevant issue date with the Custodian for, and registered in the name of Cede & Co. as nominee for, DTC. Definitive Notes issued in exchange for a beneficial interest in a Rule 144A Global Note shall bear the legend applicable to such Notes as set out in “Transfer Restrictions” herein.

A Global Registered Note will become exchangeable, in whole but not in part only and at the request of the registered Holder of the Global Registered Note, for Registered Notes in definitive form (“**Definitive Registered Notes**”):

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms or Pricing Supplement; or
- (ii) at any time, if so specified in the relevant Final Terms or Pricing Supplement; or
- (iii) if the relevant Final Terms or Pricing Supplement specifies “in the limited circumstances described in the Global Registered Note”, then if:
 - (a) Euroclear, Clearstream, Luxembourg, DTC or any other relevant clearing system is closed for business for a continuous period of fourteen days (other than by reason of public holidays) or announces an intention permanently to cease business or in fact does so; or
 - (b) in the case of Unsubordinated Notes, any of the circumstances described in Condition 15 (*Events of Default*) occurs or, in the case of Subordinated Notes, any of the circumstances described in Condition 16 (*Enforcement Events*) occurs.

The Global Registered Note will also become exchangeable, in whole but not in part only and at the request of the Issuer, for Definitive Registered Notes if, by reason of any change in the laws of Denmark, the Issuer will be required to make any withholding or deduction from any payment in respect of the Notes which would not be required if the Notes are represented by Definitive Registered Notes.

Whenever the Global Registered Note is to be exchanged for Definitive Registered Notes, such Registered Notes will be issued in an aggregate principal amount equal to, in the case of Unsubordinated Notes, the principal amount of the Global Registered Note or, in the case of Subordinated Notes, the Outstanding Principal Amounts of the Notes represented by the Global Registered Note, in each case, within five business days of the delivery, by or on behalf of the registered Holder of the Global Registered Note, Euroclear and/or Clearstream, Luxembourg and/or DTC, to the Registrar of such information as is required to complete and deliver

such Definitive Registered Notes (including, without limitation, the names and addresses of the persons in whose names the Definitive Registered Notes are to be registered and the principal amount of each such person's holding) against the surrender of the Global Registered Note at the Specified Office of the Registrar. Such exchange will be effected in accordance with the provisions of the Agency Agreement and the regulations concerning the transfer and registration of Notes scheduled thereto and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Registrar may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

The Terms and Conditions applicable to any Notes represented by one or more Global Notes will differ from those Terms and Conditions which would apply to the Notes were they in definitive form to the extent described in this "Overview of Form of the Notes".

Each Global Note will contain provisions which modify the Terms and Conditions of the Notes as they apply to the relevant Global Note. The following is a summary of certain of those provisions:

Payments: The Holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the Holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear, Clearstream, Luxembourg or DTC, as the case may be, for his/her share of each payment so made by the Issuer to, or to the order of, the Holder of such Global Note. Exercise of put option: In order to exercise the option contained in Condition 10.6 (*Redemption at the option of Holder*) the Holder of the relevant Global Note must, within the period specified in the Terms and Conditions give written notice of such exercise to the Fiscal Agent or the Registrar, as the case may be, specifying the principal amount of Notes in respect of which such option is being exercised. Any such notice will be irrevocable and may not be withdrawn.

Partial exercise of call option: In connection with an exercise of the option contained in Condition 10.4 (*Redemption at the option of the Issuer*) in relation to some only of the Notes, the relevant Global Note may be redeemed in part in the principal amount specified by the Issuer in accordance with the Terms and Conditions and the Notes to be redeemed will not be selected as provided in the Terms and Conditions, but in accordance with the rules and procedures of Euroclear, Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion) and/or DTC.

Notices: Notwithstanding Condition 22 (*Notices*), while all the Notes are represented by one or more Global Notes and such Global Note(s) are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC and/or any other relevant clearing system, notices to Holders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or DTC and/or any other relevant clearing system for communication by them to the persons shown in their respective records as having interests therein and, in any case, such notices shall be deemed to have been given to the Holders in accordance with Condition 22 (*Notices*) on the date of delivery to Euroclear and/or Clearstream, Luxembourg and/or DTC and/or any other relevant clearing system.

Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 6.2 (as well after as before judgment) until whichever is the earlier of:

- (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Holder; and
- (ii) the day which is seven days after the Fiscal Agent, the Registrar or the VP Systems Agent, as applicable, has notified the Holders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

6.3 *Fixed Coupon Amount and Broken Amount:* Except as provided in the relevant Final Terms or Pricing Supplement, the amount of interest payable in respect of the Calculation Amount for any Interest Period shall be the relevant Fixed Coupon Amount or the relevant Broken Amount, as the case may be.

Where the Specified Denomination of a Note is the Calculation Amount and, if the Notes are Subordinated Notes, except where the Calculation Amount has been adjusted as described in the definition thereof, the amount of interest payable in respect of such Note shall be the relevant Fixed Coupon Amount or the relevant Broken Amount, as the case may be. Where the Specified Denomination of a Note is a multiple of the Calculation Amount and, if the Notes are Subordinated Notes, except where the Calculation Amount has been adjusted as described in the definition thereof, the amount of interest payable in respect of such Note shall be the product of the relevant Fixed Coupon Amount or the relevant Broken Amount, as the case may be, for each Calculation Amount and the amount by which the Calculation Amount is required to be multiplied to reach the Specified Denomination.

If the Notes are Subordinated Notes and the Calculation Amount has been adjusted as described in the definition thereof, Condition 6.4 (*Calculation of interest amount*) will apply.

6.4 *Calculation of interest amount:* Except where a Fixed Coupon Amount or a Broken Amount is specified in the relevant Final Terms or Pricing Supplement and/or, if the Notes are Subordinated Notes, the Calculation Amount has been adjusted as described in the definition thereof, the amount of interest payable in respect of the Notes for any period shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards). For this purpose a “**sub-unit**” means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

In the case of Unsubordinated Notes or Subordinated Notes where the Calculation Amount has not been adjusted as described in the definition thereof, where the Specified Denomination of a Note is the Calculation Amount, the amount of interest payable in respect of such Note shall be the amount (determined in the manner provided above) for the Calculation Amount. In the case of such Notes, where the Specified Denomination of a Note is a multiple of the Calculation Amount, the amount of interest payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for each Calculation Amount and the amount by which the Calculation Amount is required to be multiplied to reach the Specified Denomination, without any further rounding.

In the case of Subordinated Notes where the Calculation Amount has been adjusted as described in the definition thereof, where the Specified Denomination of a Note is the Original Calculation Amount, the amount of interest payable in respect of such Note shall be the amount (determined in the manner provided above) for the Calculation Amount. In the case of such Notes, where the Specified Denomination of a Note is a multiple of the Original Calculation Amount, the amount of interest payable in respect of such Note shall be the product of:

- (i) the amount of interest per Calculation Amount; and
- (ii) the number by which the Original Calculation Amount is required to be multiplied to equal the Specified Denomination of such Subordinated Note,

without any further rounding.

The Calculation Agent will be entitled to recalculate any Interest Amount in the event of any reduction of the Outstanding Principal Amount of a Note in accordance with Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*) during an Interest Period.

Reset Note Provisions

6.5 *Application:* Conditions 6.5-6.9 are only applicable to Subordinated Notes and shall only apply if the Reset Note Provisions are specified in the relevant Final Terms or Pricing Supplement as being applicable to one or more Interest Period(s).

6.6 *Accrual of Interest:* The Notes bear interest on their Outstanding Principal Amounts:

- (i) from (and including) the Interest Commencement Date to (but excluding) the First Reset Date at the Initial Rate of Interest;
- (ii) for the First Reset Period at the First Reset Rate of Interest; and
- (iii) for each Subsequent Reset Period thereafter (if any) to (but excluding) the Maturity Date at the relevant Subsequent Reset Rate of Interest,

payable, in each case, in arrear on each relevant Interest Payment Date (subject as provided in Condition 11 (*Payments – Bearer Notes*), Condition 12 (*Payments – Registered Notes*) or Condition 13 (*Payments – VP Systems Notes*), as applicable.

Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 6.6 (as well after as before judgment) until whichever is the earlier of:

- (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Holder; and
- (ii) the day on which is seven days after the Fiscal Agent, the Registrar or the VP Systems Agent, as applicable, has notified the Holders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

The Rate of Interest and the Interest Amount payable shall be determined by the Calculation Agent, (A) in the case of the Rate of Interest, at or as soon as practicable after each time at which the Rate of Interest is to be determined, and (B) in the case of the Interest Amount in accordance with the provisions for calculating amounts of interest in Conditions 6.3 and 6.4.

6.7 *Fallbacks*

If on any Reset Determination Date, the Relevant Screen Page is not available or the Mid-Swap Rate does not appear on the Relevant Screen Page as of the Relevant Time on such Reset Determination Date, the Rate of Interest applicable to the Notes in respect of each Interest Period falling in the relevant Reset Period will be determined by the Calculation Agent on the following basis:

- (i) the Calculation Agent shall request each of the Reset Reference Banks to provide the Calculation Agent with its Mid-Market Swap Rate Quotation as at approximately the Relevant Time on the Reset Determination Date in question;
- (ii) if at least three of the Reset Reference Banks provide the Calculation Agent with Mid-Market Swap Rate Quotations, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period will be equal to the sum of (A) the arithmetic mean (rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards)) of the relevant quotations provided, eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest (or, in the event of equality, one of the lowest) and (B) the Relevant Reset Margin, all as determined by the Calculation Agent;
- (iii) if only two relevant quotations are provided, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period will be equal to the sum of (A) the arithmetic mean (rounded as aforesaid) of the relevant quotations provided and (B) the Relevant Reset Margin, all as determined by the Calculation Agent;
- (iv) if only one relevant quotation is provided, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period will be equal to the sum of (A) the relevant quotation provided and (B) the Relevant Reset Margin, all as determined by the Calculation Agent; and
- (v) if none of the Reset Reference Banks provides the Calculation Agent with a Mid-Market Swap Rate Quotation as provided in the foregoing provisions of this Condition 6.7, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) will be equal to the sum of (A) the Mid-Swap Rate determined on the last preceding Reset Determination Date and (B) the Relevant Reset Margin or, in the case of the first Reset Determination Date, the First Reset Rate of Interest will be equal to the sum of (A) the Initial Mid-Swap Rate and (B) the Relevant Reset Margin, all as determined by the Calculation Agent.

6.8 *Publication* The Calculation Agent will cause the First Reset Rate of Interest, any Subsequent Reset Rate of Interest and, in respect of a Reset Period, the Interest Amount payable on each Interest Payment Date falling in such Reset Period to be notified to the Paying Agents (and if applicable, the Registrar), each listing authority, stock exchange and/or quotation system (if any) on which the Notes have then been admitted to listing, trading and/or quotation and, in the case of VP Systems Notes, the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, and the VP Systems Agent as soon as practicable after such determination. Notice thereof shall also promptly be given to the Holders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) in the event of any reduction of the Outstanding Principal Amount of a Note in accordance with Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*) during an Interest Period.

6.9 *Notifications etc:* All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of Conditions 6.5-6.9 by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Registrar (if applicable), the VP Systems Agent (if applicable), the Holders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

7. Floating Rate Note Provisions

7.1 *Application:* This Condition 7 is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Final Terms or Pricing Supplement as being applicable to one or more Interest Period(s).

7.2 *Accrual of interest:* The Notes bear interest on their Outstanding Principal Amounts from, and including, the Interest Commencement Date at the Rate of Interest payable in arrear on each relevant Interest Payment Date, subject as provided in Condition 11 (*Payments – Bearer Notes*), Condition 12 (*Payments – Registered Notes*) or Condition 13 (*Payments – VP Systems Notes*), as applicable. Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 7 (as well after as before judgment) until whichever is the earlier of:

- (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Holder; and
- (ii) the day which is seven days after the Fiscal Agent, the Registrar or the VP Systems Agent, as applicable, has notified the Holders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

7.3 *Screen Rate Determination:* If Screen Rate Determination is specified in the relevant Final Terms or Pricing Supplement as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:

- (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (iii) if, in the case of Condition 7.3(i) above, such rate does not appear on that page or, in the case of Condition 7.3(ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (a) request the principal Relevant Financial Centre office of each the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (b) determine the arithmetic mean of such quotations; and
- (iv) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the principal financial centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the principal financial centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading banks in the Relevant Financial Centre interbank market for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or, as the case may be, the arithmetic mean so determined; provided, however, that if the Calculation Agent is unable to determine a rate or, as the case may be, an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or, as the case may be, the arithmetic mean last determined in relation to the Notes in respect of the last preceding Interest Period.

7.4 *ISDA Determination*: If ISDA Determination is specified in the relevant Final Terms or Pricing Supplement as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where “ISDA Rate” in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms or Pricing Supplement;
- (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms or Pricing Supplement; and
- (iii) the relevant Reset Date (as defined in the ISDA Definitions) is the day specified in the relevant Final Terms or Pricing Supplement.

7.5 *Maximum or Minimum Rate of Interest*: If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Final Terms or Pricing Supplement, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

7.6 *Calculation of Interest Amount*: The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of the Calculation Amount for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit (as defined in Condition 6.4 (*Calculation of interest amount*)) of the Specified Currency (half a sub-unit being rounded upwards).

In the case of Unsubordinated Notes or Subordinated Notes where the Calculation Amount has not been adjusted as described in the definition thereof, where the Specified Denomination of a Note is the Calculation Amount, the amount of interest payable in respect of such Note shall be the Interest Amount.

In the case of such Notes, where the Specified Denomination of a Note is a multiple of the Calculation Amount, the amount of interest payable in respect of such Note shall be the product of the Interest Amount (determined in the manner provide above) for each Calculation Amount and the amount by which the Calculation Amount is required to be multiplied to reach the Specified Denomination, without any further rounding.

In the case of Subordinated Notes where the Calculation Amount has been adjusted as described in the definition thereof, where the Specified Denomination of a Note is the Original Calculation Amount, the amount of interest payable in respect of such Note shall be the Interest Amount (determined in the manner provided above). In the case of such Notes, where the Specified Denomination of a Note is a multiple of the Original Calculation Amount, the amount of interest payable in respect of such Note shall be the product of:

- (i) the Interest Amount; and
- (ii) the number by which the Original Calculation Amount is required to be multiplied to equal the Specified Denomination of such Note,

without any further rounding.

7.7 *Calculation of other amounts*: If the relevant Final Terms or Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent will, as soon as practicable

after the time or times at which any such amount is to be determined, calculate the relevant amount. The relevant amount will be calculated by the Calculation Agent in the manner specified in the relevant Final Terms or Pricing Supplement.

7.8 *Publication*: The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents (and if applicable, the Registrar), each listing authority, stock exchange and/or quotation system (if any) on which the Notes have then been admitted to listing, trading and/or quotation and, in the case of VP Systems Notes, the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, and the VP Systems Agent as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Holders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period or in the event of any reduction of the Outstanding Principal Amount of a Subordinated Note and an adjustment to the Calculation Amount in accordance with Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*) during an Interest Period.

7.9 *Notifications etc*: All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 7 by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Registrar (if applicable), the VP Systems Agent (if applicable), the Holders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

8. Zero Coupon Note Provisions

8.1 *Application*: This Condition 8 is only applicable to Unsubordinated Notes and shall only apply if the Zero Coupon Note Provisions are specified in the relevant Final Terms or Pricing Supplement as being applicable.

8.2 *Late payment on Zero Coupon Notes*: If the Redemption Amount payable in respect of any Zero Coupon Note is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of:
 - (a) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Holder; and
 - (b) the day which is seven days after the Fiscal Agent, the Registrar or the VP Systems Agent, as applicable, has notified the Holders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

9. Reduction of Amounts of Principal and Unpaid Interest

This Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*) is only applicable to Subordinated Notes and shall only apply until (but excluding) 1 January 2014 or, if later, the date on which none of the Existing Tier 2 Capital Notes is outstanding. Accordingly, on 1 January 2014 or, if

later, on the date on which none of the Existing Tier 2 Capital Notes is outstanding, this Condition 9 shall automatically cease to apply and have no effect.

9.1 *Reduction and Cancellation:* The Issuer, by a resolution passed at a general meeting of its shareholders duly convened in accordance with Danish law, may resolve to reduce and cancel (*inter alia*):

- (i) on a *pro rata* basis all or part of the Issuer's arrears of interest (howsoever defined) (together with any additional interest amounts (howsoever defined)) under its other Tier 2 Capital and any of its other instruments (if any) expressed to be ranking *pari passu* therewith and all or part of any accrued but unpaid interest under the Notes and its other Tier 2 Capital and any of its other instruments (if any) expressed to be ranking *pari passu* therewith and, in each case, issued on or after 4 October 2013; and
- (ii) all or part of the Outstanding Principal Amounts on a *pro rata* basis with the outstanding nominal amount of all of the Issuer's other Tier 2 Capital and any of its other instruments (if any) expressed to be ranking *pari passu* therewith,

in either case, upon the occurrence of a Reduction Event.

9.2 *Prior Approvals and Notice:* The amount of any such reduction shall be subject to the prior approval of the Issuer's elected external auditor and the Relevant Regulator. The Issuer will give notice to the Holders of any such reduction and cancellation immediately following the passing of such resolution in accordance with Condition 22 (*Notices*).

9.3 *Effect:* The reduction and cancellation will take effect on the date (the "**Effective Date**") specified in the relevant resolution approving any such reduction and cancellation in the following order:

- (i) first, all or part of any arrears of interest (howsoever defined) (together with any additional interest amounts (howsoever defined)) on any Hybrid Core Capital will be available to be reduced and cancelled on a *pro rata* basis with all of the Issuer's other arrears of interest (howsoever defined) (together with any additional interest amounts (howsoever defined)) under its other Tier 1 Capital and any of its other capital instruments (if any) expressed to be ranking *pari passu* therewith;
- (ii) second, provided all (and not part only) of the arrears of interest and additional interest amounts (if any) described in subparagraph (i) above is reduced and cancelled on the Effective Date prior to, or simultaneously with, any reduction and cancellation described in this subparagraph (ii), all or part of the outstanding nominal amount of any Hybrid Core Capital will be available to be reduced and cancelled on a *pro rata* basis with the outstanding nominal amount of all of the Issuer's other Tier 1 Capital and any of its other capital instruments (if any) expressed to be ranking *pari passu* therewith;
- (iii) third, provided all (and not part only) of the outstanding nominal amount of the securities described in subparagraph (ii) above is reduced and cancelled on the Effective Date prior to, or simultaneously with, any reduction and cancellation described in this subparagraph (iii), all or part of the Issuer's arrears of interest (howsoever defined) (together with any additional interest amounts (howsoever defined)) under the Issuer's other Tier 2 Capital and any of its other instruments (if any) expressed to be ranking *pari passu* therewith and all or part of any accrued but unpaid interest under the Subordinated Notes and its other Tier 2 Capital and any of its other instruments (if any) expressed to be ranking *pari passu* therewith and, in each case, issued on or after 4 October 2013 will be available to be reduced and cancelled on a *pro rata* basis; and
- (iv) fourth, provided all (and not part only) of the arrears of interest, additional interest amounts (if any) and accrued but unpaid interest described in subparagraph (iii) above is reduced and cancelled on the Effective Date prior to, or simultaneously with, any reduction and cancellation

described in this subparagraph (iv), all or part of the Outstanding Principal Amounts will be available to be reduced and cancelled on a *pro rata* basis with the outstanding nominal amount of all of the Issuer's other Tier 2 Capital and any of its other instruments (if any) expressed to be ranking *pari passu* therewith.

Holders will thereafter cease to have any claim in respect of any amounts so reduced and cancelled. To the extent that only part of the Outstanding Principal Amounts has been so reduced, interest will continue to accrue in accordance with the terms hereof on the Outstanding Principal Amounts.

Any reduction of accrued but unpaid interest and/or the Outstanding Principal Amounts pursuant to the above provisions shall not constitute an Enforcement Event.

Subordinated Notes may be subject to statutory provisions as applicable from time to time that could lead to the write down and/or conversion to ordinary shares of the Issuer of the Outstanding Principal Amounts of the Subordinated Notes, as further described in the "Risk Factors".

10. Redemption and Purchase

10.1 *Scheduled redemption:* Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 11 (*Payments – Bearer Notes*), Condition 12 (*Payments – Registered Notes*) or Condition 13 (*Payments – VP Systems Notes*), as applicable.

10.2 *Early redemption for tax reasons:*

(A) This Condition 10.2(A) is only applicable to Unsubordinated Notes.

If, in relation to any Series of Unsubordinated Notes:

- (i) as a result of any change in the laws, regulations or rulings of Denmark or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws, regulations or rulings which becomes effective on or after the date of issue of the first Tranche of such Unsubordinated Notes or any other date specified in the relevant Final Terms or Pricing Supplement, the Issuer would be required to pay additional amounts as provided in Condition 14 (*Taxation*); and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

the Issuer may, at its option at any time and having given no less than thirty nor more than sixty days' notice (ending, in the case of the Unsubordinated Notes which bear interest at a floating rate, on a day upon which interest is payable) to the Holders of the Unsubordinated Notes in accordance with Condition 22 (*Notices*) (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Unsubordinated Notes comprising the relevant Series at their Early Redemption Amount (Tax), together with accrued interest (if any) thereon, provided, however, that no such notice of redemption may be given earlier than ninety days (or, in the case of Unsubordinated Notes which bear interest at a floating rate, a number of days which is equal to the aggregate of the number of days falling within the then current interest period applicable to the Unsubordinated Notes plus sixty days) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Unsubordinated Notes then due.

The Issuer may not exercise any such option in respect of any Unsubordinated Note which is the subject of the prior exercise by the Holder of its Put Option (if applicable) pursuant to Condition 10.6 (*Redemption at the option of Holder*).

(B) This Condition 10.2(B) is only applicable to Subordinated Notes.

If, in relation to any Series of Subordinated Notes:

- (i) as a result of any change in the laws, regulations or rulings of Denmark or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws, regulations or rulings which become effective on or after the date of issue of the last Tranche of such Subordinated Notes, the Issuer receives an opinion of external counsel in Denmark that (A) it would be required to pay additional amounts as provided in Condition 14 (*Taxation*) or (B) it will no longer be able to obtain a tax deduction for the purposes of Danish tax for any payment of interest under the Subordinated Notes, in each case provided, to the extent required by the Relevant Rules, that the Issuer satisfies the Relevant Regulator that such change in tax treatment of the Subordinated Notes is material and was not reasonably foreseeable at the time of their issuance; and
- (ii) (in the case of (i)(A) only) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

any such event, a “**Tax Event**”,

the Issuer may, at its option (but subject to Condition 10.10 (*Conditions to redemption etc. prior to Maturity Date*)) at any time and having given no less than thirty nor more than sixty days’ notice (ending in the case of the Subordinated Notes which bear interest at a floating rate, on a day upon which interest is payable) to the Holders of the Subordinated Notes in accordance with Condition 22 (*Notices*) (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Subordinated Notes at their Outstanding Principal Amounts, together with accrued interest (if any) thereon, provided, however, that no such notice of redemption may be given earlier than ninety days (or, in the case of Subordinated Notes which bear interest at a floating rate, a number of days which is equal to the aggregate of the number of days falling within the then current interest period applicable to the Subordinated Notes plus sixty days) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Subordinated Notes then due.

10.3 *Early redemption upon the occurrence of a Capital Event*: This Condition 10.3 is only applicable to Subordinated Notes.

Upon the occurrence of a Capital Event, the Issuer may, at its option (but subject to Condition 10.10 (*Conditions to redemption etc. prior to Maturity Date*)) at any time and having given no less than thirty nor more than sixty days’ notice (ending in the case of the Subordinated Notes which bear interest at a floating rate, on a day upon which interest is payable) to the Holders of the Subordinated Notes in accordance with Condition 22 (*Notices*) (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Subordinated Notes at their Outstanding Principal Amounts, together with accrued interest (if any) thereon.

10.4 *Redemption at the option of the Issuer*: If the Call Option is specified in the relevant Final Terms or Pricing Supplement as being applicable, the Notes may be redeemed at the option of the Issuer but in the case of Subordinated Notes subject to Condition 10.10 (*Conditions to redemption etc. prior to Maturity Date*) in whole or, if so specified in the relevant Final Terms or Pricing Supplement, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call), together with accrued interest (if any) thereon upon the Issuer’s giving not less than the minimum period nor more than

the maximum period of notice specified in the relevant Final Terms or Pricing Supplement to the Holders in accordance with Condition 22 (*Notices*) (which notice shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in such notice on the relevant Optional Redemption Date (Call)).

If the Notes are Bearer Notes or Registered Notes, the notice to Holders referred to in this Condition 10.4 shall specify the serial numbers of the Notes so to be redeemed.

If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Final Terms or Pricing Supplement, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified.

The Issuer may not exercise such option in respect of any Note which is the subject of the prior exercise by the Holder of its Put Option pursuant to Condition 10.6 (*Redemption at the option of Holder*).

10.5 *Partial redemption*: If the Notes are to be redeemed in part only on any date in accordance with Condition 10.4 (*Redemption at the option of the Issuer*):

- (i) in the case of Bearer Notes, the Notes to be redeemed shall be drawn by lot in such European city as the Fiscal Agent may specify, or identified in such other manner or in such other place as the Fiscal Agent may approve and deem appropriate and fair;
- (ii) in the case of Registered Notes, the Notes shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts, provided always that the amount redeemed in respect of each Note shall be equal to the Specified Denomination thereof or an integral multiple thereof, subject always to compliance with all applicable laws and the requirements of any listing authority, stock exchange or quotation system on which the relevant Notes may be listed, traded or quoted; or
- (iii) in the case of VP Systems Notes, the VP Systems Notes to be redeemed shall be selected in accordance with the standard procedures of the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, from time to time.

In the case of the redemption of part only of a Registered Note, a new Registered Note in respect of the unredeemed balance shall be issued in accordance with Condition 4 (*Transfer of Registered Notes*) which shall apply as in the case of a transfer of Registered Notes as if such new Registered Note were in respect of the untransferred balance.

10.6 *Redemption at the option of Holder*: This Condition 10.6 is only applicable to Unsubordinated Notes. If the Put Option is specified in the relevant Final Terms or Pricing Supplement as being applicable, upon a Holder of any Unsubordinated Note giving not less than the minimum period nor more than the maximum period of notice specified in the relevant Final Terms or Pricing Supplement to the Issuer, the Issuer will redeem such Unsubordinated Note on the Optional Redemption Date (Put) at the relevant Optional Redemption Amount (Put) together with interest (if any) accrued to such date.

If the Unsubordinated Note is a Bearer Note or a Registered Note, in order to exercise the option contained in this Condition 10.6, the Holder of such Unsubordinated Note must, within the notice period described above, deposit at the Specified Office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) such Note together with, in the case of Bearer Notes, all unmatured Coupons relating thereto and a duly completed Put Option Notice in the form obtainable from any Paying Agent or Registrar specifying the aggregate Outstanding Principal Amount in respect of which such option is exercised. The Paying Agent (in the case of Bearer Notes) or Registrar (in the case of Registered Notes) with which a Note is so deposited shall deliver a duly completed Put Option Receipt to the depositing Holder. No Unsubordinated Note, once deposited with a duly completed Put Option Notice in accordance with this Condition 10.6, may be withdrawn; provided, however, that if, prior to the

relevant Optional Redemption Date (Put), any such Unsubordinated Note becomes immediately due and payable or, upon due presentation of any such Unsubordinated Note on the relevant Optional Redemption Date (Put), payment of the redemption moneys is improperly withheld or refused, the relevant Paying Agent or Registrar, as the case may be, shall mail notification thereof to the depositing Holder at such address as may have been given by such Holder in the relevant Put Option Notice and shall hold such Unsubordinated Note at its Specified Office for collection by the depositing Holder against surrender of the relevant Put Option Receipt. For so long as any outstanding Unsubordinated Note is held by a Paying Agent or Registrar, as the case may be, in accordance with this Condition 10.6, the depositor of such Unsubordinated Note and not such Paying Agent or Registrar shall be deemed to be the holder of such Unsubordinated Note for all purposes.

If the Unsubordinated Note is a VP Systems Note, in order to exercise the option contained in this Condition 10.6, the Holder of such Unsubordinated Note, must, within the notice period set out above, give notice to the VP Systems Agent of such exercise in accordance with the standard procedures of the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, from time to time.

The Holder of an Unsubordinated Note may not exercise such Put Option in respect of any Unsubordinated Note which is the subject of an exercise by the Issuer of its Call Option.

In the case of the redemption of part only of a Registered Note, a new Registered Note in respect of the unredeemed balance shall be issued in accordance with Condition 4 (*Transfer of Registered Notes*) which shall apply as in the case of a transfer of Registered Notes as if such new Registered Note were in respect of the untransferred balance.

10.7 *Early redemption of Zero Coupon Notes:* Unless otherwise specified in the relevant Final Terms or Pricing Supplement, the Redemption Amount payable on redemption of a Zero Coupon Note at any time before the Maturity Date shall be an amount equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or, as the case may be, the date upon which the Note becomes due and payable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the relevant Final Terms or Pricing Supplement for the purposes of this Condition 10.7 or, if none is so specified, a Day Count Fraction of 30E/360.

10.8 *Purchase:* The Issuer or any of its Subsidiaries may at any time (but in the case of Subordinated Notes subject to Condition 10.10 (*Conditions to redemption etc. prior to Maturity Date*)) purchase Notes in the open market or otherwise and at any price, provided that, in the case of Bearer Notes, all unmatured Coupons are purchased therewith. Such Notes may be held, reissued, resold or, in the case of Bearer Notes or Registered Notes, surrendered to any Paying Agent or the Registrar for cancellation.

10.9 *Cancellation:* All Notes which are redeemed will forthwith (but in the case of Subordinated Notes subject to Condition 10.10 (*Conditions to redemption etc. prior to Maturity Date*)) be cancelled (together with all unmatured Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 10.8 (*Purchase*) above (together, in the case of Bearer Notes, with all unmatured Coupons cancelled therewith) shall be forwarded to the Fiscal Agent or, in the case of VP Systems Notes, shall be deleted from the records of the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, and, in either case, cannot be reissued or resold.

10.10 *Conditions to redemption etc. prior to Maturity Date:* This Condition 10.10 is only applicable to Subordinated Notes.

The Subordinated Notes may only be redeemed, purchased, cancelled or modified (as applicable) pursuant to Condition 10.2(B) (*Early redemption for tax reasons: Subordinated Notes*), Condition 10.3 (*Early redemption upon the occurrence of a Capital Event*), Condition 10.4 (*Redemption at the option of the Issuer*) or paragraph (ii) of Condition 20.2 (*Modification of Notes other than VP Systems Notes*), as the case may be, if:

- (i) the Issuer has notified the Relevant Regulator of, or the Relevant Regulator has consented to, or, as the case may be, not objected to, such redemption, purchase, cancellation or modification (as applicable) (in any case, only if and to the extent such a notification, consent or non-objection is required by the Relevant Rules); and
- (ii) in the case of a redemption as a result of a Special Event, the Issuer has delivered a certificate signed by two of its Directors to the Fiscal Agent (and copies thereof will be available at the Fiscal Agent's Specified Office during its normal business hours) not less than 5 Business Days prior to the date set for redemption that such Special Event has occurred or will occur no more than ninety days following the date fixed for redemption, as the case may be.

11. Payments – Bearer Notes

11.1 *Principal*: Payments of principal shall be made only against presentation and (provided that payment is made in full) surrender of the relevant Bearer Note at the Specified Office of any Paying Agent outside the United States. Subject as provided in these Conditions:

- (i) payments in a Specified Currency other than euro or CNY will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency;
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque; and
- (iii) payments in CNY will be made by transfer to a CNY account maintained by or on behalf of the payee with a bank in Hong Kong in accordance with applicable laws, rules, regulations and guidelines issued from time to time (including all applicable laws and regulations with respect to the settlement of CNY in Hong Kong).

11.2 *Interest*: Payments of interest shall, subject to Condition 11.8 (*Payments other than in respect of matured Coupons*) below, be made only against presentation and (provided that payment is made in full) surrender of the appropriate Coupons at the Specified Office of any Paying Agent outside the United States in the manner described in Condition 11.1 (*Principal*) above.

11.3 *Payments in New York City*: Payments of principal or interest may be made at the Specified Office of a Paying Agent in New York City if:

- (i) the Issuer has appointed Paying Agents outside the United States with the reasonable expectation that such Paying Agents will be able to make payment of the full amount of the interest on the Notes in the currency in which the payment is due when due;
- (ii) payment of the full amount of such interest at the offices of all such Paying Agents is illegal or effectively precluded by exchange controls or other similar restrictions; and
- (iii) payment is permitted by applicable United States law.

- 11.4 *Payments subject to fiscal laws:* All payments in respect of the Notes are subject in all cases to (i) any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 14 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 14 (*Taxation*)) any law implementing an intergovernmental approach thereto.

No commissions or expenses shall be charged to the Holders in respect of such payments.

- 11.5 *Deductions for unmatured Coupons:* Except in the case of Adjusted Fixed Rate Notes and Subordinated Notes, if the relevant Final Terms or Pricing Supplement specify that the Fixed Rate Note Provisions are applicable (and, in the absence of specification, except in the case of Adjusted Fixed Rate Notes and Subordinated Notes, this Condition 11.5 shall apply to Notes which bear interest at a fixed rate or rates or in fixed amounts) and a Note is presented for final redemption (or partial redemption in accordance with Condition 10.4 (*Redemption at the option of the Issuer*) or Condition 10.5 (*Partial redemption*)) without all unmatured Coupons relating thereto:

- (i) If the aggregate amount of the missing Coupons is less than or equal to the amount of principal due for payment, a sum equal to the aggregate amount of the missing Coupons will be deducted from the amount of principal due for payment; provided, however, that if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of such missing Coupons which the gross amount actually available for payment bears to the amount of principal due for payment;
- (ii) if the aggregate amount of the missing Coupons is greater than the amount of principal due for payment:
 - (a) so many of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the “**Relevant Coupons**”) being equal to the amount of principal due for payment; provided, however, that where this sub-paragraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and
 - (b) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the amount of principal due for payment) will be deducted from the amount of principal due for payment; provided, however, that, if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the amount of principal due for payment) which the gross amount actually available for payment bears to the amount of principal due for payment.

Each sum of principal so deducted shall be paid in the manner provided in Condition 11.1 (*Principal*) against presentation and (provided that payment is made in full) surrender of the relevant missing Coupons subject to Condition 17 (*Prescription*).

- 11.6 *Unmatured Coupons void:* If the Notes are Adjusted Fixed Rate Notes or Subordinated Notes or the relevant Final Terms or Pricing Supplement specify that this Condition 11.6 is applicable or that the Floating Rate Note Provisions are applicable (and, in the absence of specification, this Condition 11.6 shall apply to Notes which bear interest at a floating rate or rates or in variable amounts or which are Adjusted Fixed Rate Notes or Subordinated Notes), on the due date for final redemption of any Note or early redemption in whole of such Note pursuant to Condition 10.2 (*Early redemption for tax reasons*), Condition 10.3 (*Early redemption upon the occurrence of a Capital Event*), Condition 10.4 (*Redemption at the option of the Issuer*), Condition 10.6 (*Redemption at the option of Holder*), Condition 15 (*Events of*

Default) or Condition 16 (*Enforcement Events*), all unmatured Coupons relating thereto (whether or not still attached) shall become void and no payment will be made in respect thereof.

- 11.7 *Payments on business days*: If the due date for payment of any amount in respect of any Note or Coupon is not a Payment Business Day, the Holder shall not be entitled to payment of the amount due until the next succeeding Payment Business Day and shall not be entitled to any further interest or other payment in respect of any such delay.
- 11.8 *Payments other than in respect of matured Coupons*: Payments of interest other than in respect of matured Coupons shall be made only against presentation of the relevant Notes at the Specified Office of any Paying Agent outside the United States (or in New York City if permitted by Condition 11.3 (*Payments in New York City*) above).
- 11.9 *Partial payments*: If a Paying Agent makes a partial payment in respect of any Note or Coupon presented to it for payment, such Paying Agent will endorse thereon a statement indicating the amount and date of such payment.
- 11.10 *Exchange of Talons*: On or after the maturity date of the final Coupon which is (or was at the time of issue) part of a Coupon Sheet relating to the Notes, the Talon forming part of such Coupon Sheet may be exchanged at the Specified Office of the Paying Agent for a further Coupon Sheet (including, if appropriate, a further Talon but excluding any Coupons in respect of which claims have already become void pursuant to Condition 17 (*Prescription*)). Upon the due date for redemption of any Note, any unexchanged Talon relating to such Note shall become void and no Coupon will be delivered in respect of such Talon.
- 11.11 *Currency Events*: This Condition 11.1 is applicable to:
- (i) unless the Final Terms or Pricing Supplement specifies otherwise, CNY Notes; and
 - (ii) Notes other than CNY Notes for which Currency Events are specified as applying in the relevant Final Terms or Pricing Supplement.

If a Currency Event, as determined by the Currency Calculation Agent in its sole and absolute discretion, exists on a date for payment of any amount in respect of any Note or Coupon, the Issuer may, in its sole and absolute discretion, take the action described in (i) and/or (ii) below:

- (i) the relevant payment of the Issuer may be postponed to a day falling no later than 10 Payment Business Days after the date on which the relevant Currency Event ceases to exist or, if that would not be possible (as determined by the Issuer acting in good faith) as soon as reasonably practicable thereafter; and/or
- (ii) the Issuer's obligation to make a payment in the Specified Currency under the terms of the Notes may be replaced by an obligation to pay such amount in the Relevant Currency (converted at the Alternate Settlement Rate determined by the Currency Calculation Agent as of a time selected in good faith by the Currency Calculation Agent).

Upon the occurrence of a Currency Event, the Issuer shall give notice, as soon as practicable, to the Holders in accordance with Condition 22 (*Notices*) stating the occurrence of the Currency Event, giving brief details thereof and the action proposed to be taken in relation thereto.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 11.11 by the Currency Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Calculation Agent, the Paying Agents, the Registrar (if applicable), the Holders and the Couponholders and (subject as aforesaid) no liability to

any such Person will attach to the Currency Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

12. Payments – Registered Notes

- 12.1 *Method of payment:* Payments of principal shall be made only against presentation and (provided that payment is made in full) surrender of the relevant Registered Note at the Specified Office of the Registrar by transfer to the Designated Account (as defined below) of the Holder (or the first named of joint Holders) appearing in the register of Holders maintained by the Registrar (the “**Register**”) at the close of business on the third Relevant Banking Day before the relevant due date. Notwithstanding the previous sentence, if a Holder does not have a Designated Account, payment will instead be made by cheque drawn in the currency in which the payment is due on a Designated Bank (as defined below). For these purposes, “**Designated Account**” means the account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with a Designated Bank and identified as such in the Register and “**Designated Bank**” means a bank in the principal financial centre of the country of that currency.

Payments of interest shall be made only by cheque drawn in the currency in which the payment is due on a Designated Bank and mailed by uninsured mail on the Relevant Banking Day immediately preceding the relevant due date to the Holder (or the first named of joint Holders) appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a Relevant Banking Day) before the relevant due date (the “**Record Date**”) at its address shown in the Register on the Record Date and at its risk. Upon application of the Holder to the Specified Office of the Registrar not less than three Relevant Banking Days before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) in respect of the Registered Notes which become payable to the Holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such Holder. Payment of the interest due in respect of each Registered Note on redemption will be made in the same manner as payment of the principal amount of such Registered Note.

Holders will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such Holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

- 12.2 *Payments on business days:* If the due date for payment of any amount in respect of any Registered Note is not a business day, the Holder shall not be entitled to payment of the amount due until the next succeeding business day and shall not be entitled to any further interest or other payment in respect of any such delay.
- 12.3 *Payments subject to fiscal laws:* All payments in respect of the Registered Notes are subject in all cases to (i) any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 14 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 14 (*Taxation*)) any law implementing an intergovernmental approach thereto.

No commissions or expenses shall be charged to the Registered Holders in respect of such payments.

- 12.4 *Definition of business day:* In this Condition, “**business day**” means a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in (i) the relevant place of presentation and (ii) each

Applicable Financial Centre specified in the relevant Final Terms or Pricing Supplement and, if TARGET is an Applicable Financial Centre, a TARGET Settlement Day.

13. Payments – VP Systems Notes

13.1 *Principal and interest:* Payments of principal and interest in respect of VP Systems Notes shall be made to the Holders shown in the relevant records of the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, in accordance with and subject to the rules and regulations from time to time governing the VP, VP Lux, VPS or Euroclear Sweden. Subject as provided in these Conditions:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency; and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

13.2 *Payments subject to fiscal laws:* All payments in respect of the VP Systems Notes are subject in all cases to (i) any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 14 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 14 (*Taxation*)) any law implementing an intergovernmental approach thereto.

No commissions or expenses shall be charged to the Holders in respect of such payments.

13.3 *Payments on VP Systems Notes payment days:* If the due date for payment of any amount in respect of any VP System Note is not a VP Systems Notes payment day, the Holder shall not be entitled to payment of the amount due until the next succeeding VP Systems Notes payment day and shall not be entitled to any further interest or other payment in respect of any such delay.

13.4 In this Condition, “**VP Systems Notes payment day**” means day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Applicable Financial Centre specified in the relevant Final Terms or Pricing Supplement and, if TARGET is an Applicable Financial Centre, a TARGET Settlement Day.

14. Taxation

14.1 *Gross up:* All payments of principal and interest in respect of the Notes and the Coupons by or on behalf of the Issuer shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Denmark or any political subdivision therein or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments, or governmental charges is required by law. In that event, the Issuer shall pay such additional amounts as will result in receipt by the Holders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in relation to any payment in respect of any Note or Coupon:

- (i) to, or to a third party on behalf of, a Holder which is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of it having some connection with Denmark other than:
 - (a) the mere holding of the Note or Coupon; or
 - (b) the receipt of principal, interest or other amount in respect of such Note or Coupon; or
- (ii) presented for payment more than thirty days after the Relevant Date, except to the extent that the relevant Holder would have been entitled to such additional amounts on presenting the same for payment on or before the expiry of such period of thirty days; or
- (iii) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) presented for payment by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent or Registrar in a Member State of the EU.

14.2 *Taxing jurisdiction:* If the Issuer becomes subject at any time to any taxing jurisdiction other than Denmark, references in these Conditions to Denmark shall be construed as references to Denmark and/or such other jurisdiction.

15. Events of Default

This Condition 15 is only applicable in relation to Unsubordinated Notes.

15.1 *Events of Default:* The following events or circumstances as modified by, and/or such other events as may be specified in, the relevant Final Terms or Pricing Supplement (each an “**Event of Default**”) shall be acceleration events in relation to the Notes of any Series of Unsubordinated Notes, namely:

- (i) the Issuer fails to pay any amount of principal or interest in respect of the Unsubordinated Notes of the relevant Series or any of them on the due date for payment thereof and such default continues for a period of five days on which banks are open for business in Copenhagen after written notice has been given by the Fiscal Agent or the Holder of any such Unsubordinated Note to the Issuer; or
- (ii) the Issuer defaults in the performance or observance of any of its other obligations under or in respect of the Notes of the relevant Series of Unsubordinated Notes and (except in any case where such default is incapable of remedy when no such continuation or notice, as is hereinafter mentioned, will be required) such default remains unremedied for thirty days after written notice requiring such default to be remedied has been received by the Issuer from the Fiscal Agent or the Holder of any such Unsubordinated Note; or
- (iii) a distress, execution, seizure before judgment or other legal process is levied or enforced or sued out upon or against any part of the property, assets or revenues of the Issuer which is material in its effect upon the operation of the Issuer and is not discharged or stayed within sixty days of having been so levied, enforced or sued out; or
- (iv) (A) an application for the commencement of bankruptcy against the assets of the Issuer is filed and the application has been filed by or on behalf of the Issuer, or (B) a third party has filed an application for the commencement of bankruptcy against the assets of the Issuer and (the earlier of) either (1) the DFSA advises the competent court to open up bankruptcy proceedings, or (2)

the competent court opens bankruptcy proceedings against the assets of the Issuer, or (C) under Section 233 of the Danish Financial Business Act, the DFSA permits liquidators of the Issuer appointed pursuant to Sections 227 or 228 of the Danish Financial Business Act to file a petition for bankruptcy under and pursuant to Section 17 of the Bankruptcy Act in relation to the Issuer, or (D) under Sections 233 or 234 of the Danish Financial Business Act, the DFSA files a petition for bankruptcy under and pursuant to Section 17 of the Danish Bankruptcy Act in relation to the Issuer; or

- (v) under Section 238 of the Danish Financial Business Act, the DFSA files a petition for the suspension of payments of the Issuer.

15.2 *Acceleration*: If any Event of Default shall occur in relation to any Series of Unsubordinated Notes, any Holder of a Note of the relevant Series may, by written notice to the Issuer (effective upon receipt), at the Specified Office of the Fiscal Agent, declare that such Unsubordinated Note and (if the Unsubordinated Note is interest-bearing) together with all interest (if any) accrued thereon shall be forthwith due and payable, whereupon the same shall become immediately due and payable at its Early Termination Amount, together with all interest (if any) accrued thereon without presentment, demand, protest or other notice of any kind, all of which the Issuer will expressly waive, anything contained in such Unsubordinated Notes to the contrary notwithstanding, unless, prior thereto, all Events of Default in respect of the Unsubordinated Notes of the relevant Series shall have been cured.

16. Enforcement Events

This Condition 16 is only applicable in relation to Subordinated Notes.

The following events or circumstances (each an “**Enforcement Event**”) shall be enforcement events in relation to the Notes of any Series of Subordinated Notes:

- (i) subject to Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*), if the Issuer shall fail to meet its payment obligations under the Subordinated Notes of the relevant Series and such payment obligations are not met within seven Business Days after the Issuer has received notice thereof, any Holder may, at its own discretion and without further notice, institute proceedings in Denmark in order to recover the amounts due from the Issuer to such Holder, provided that a Holder may not at any time file for liquidation or bankruptcy of the Issuer. Any Holder may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Subordinated Notes, provided that the Issuer shall not by virtue of the institution of any proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it; and
- (ii) if an order is made or an effective resolution is passed for the liquidation or bankruptcy of the Issuer, then the Subordinated Notes of the relevant Series shall become due and payable at their Outstanding Principal Amounts together with interest (if any) accrued to such date.

According to Section 234(2) of the Danish Financial Business Act, notwithstanding Section 17(2) of the Danish Bankruptcy Act, if the Issuer cannot meet its obligations regarding capital raised as hybrid core capital or subordinated loan capital, which as of the date hereof will include any Subordinated Notes, the Issuer is not considered insolvent. According to Section 17(2) of the Danish Bankruptcy Act, a debtor is insolvent, if it cannot meet its obligations as and when they fall due, unless the inability to meet such obligations may be considered to be temporary.

If proceedings with respect to the liquidation or bankruptcy of the Issuer should occur, the Holders of the relevant Series of Subordinated Notes would be required to pursue their claims on the relevant Subordinated Notes in proceedings with respect to the Issuer in Denmark. In addition, to the extent that the Holders are entitled to any recovery with respect to the relevant Subordinated Notes in any such

Danish bankruptcy proceedings, such Holders would be entitled to a recovery in Danish Kroner or, as the case may be, other currencies, which would be based on the relevant conversion rate in effect on the date the Issuer entered into such liquidation or bankruptcy proceedings.

17. Prescription

Claims for principal shall become void unless the relevant Notes are presented for payment within ten years of the appropriate Relevant Date. Claims for interest shall become void unless the relevant Coupons are presented for payment within five years of the appropriate Relevant Date.

18. Replacement of Notes and Coupons

If any Note or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Fiscal Agent or the Registrar (and, if the Notes are then admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent or Registrar in any particular place, the Paying Agent or Registrar having its Specified Office in the place required by such listing authority, stock exchange and/or quotation system), subject to all applicable laws and listing authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes or Coupons must be surrendered before replacements will be issued.

19. Agents

19.1 *Obligations of Agents:* In acting under the Agency Agreement or the VP Systems Agency Agreement and in connection with the Notes and the Coupons, the Paying Agents, the Calculation Agent, the Currency Calculation Agent, the Registrar and the VP Systems Agent act solely as agents of the Issuer and do not assume any obligations towards or relationship of agency or trust for or with any of the Holders or Couponholders, and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon it in the Agency Agreement, the VP Systems Agency Agreement or other agreement entered into with respect of its appointment or incidental thereto.

19.2 *Termination of Appointments:* The initial Fiscal Agent, Principal Registrar and VP Systems Agent and their initial Specified Offices are listed in the Agency Agreement or the VP Systems Agency Agreement, as applicable. Unless the Calculation Agent is the Fiscal Agent, the Calculation Agent in respect of any Notes shall be specified in the relevant Final Terms or Pricing Supplement. The Currency Calculation Agent in respect of any Notes shall be specified in the relevant Final Terms or Pricing Supplement. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent (including the Fiscal Agent) or the Registrar or the VP Systems Agent, the Calculation Agent or the Currency Calculation Agent and to appoint an additional or successor fiscal agent, paying agent, calculation agent, registrar, currency calculation agent or agent in connection with the VP Systems Notes; provided, however, that:

- (i) the Issuer shall at all times maintain a Fiscal Agent;
- (ii) the Issuer shall at all times maintain, in the case of Registered Notes, a Registrar;
- (iii) the Issuer shall at all times maintain a Paying Agent (which may be the Fiscal Agent) in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated;
- (iv) if a Calculation Agent is specified in the relevant Final Terms or Pricing Supplement, the Issuer shall at all times maintain a Calculation Agent with a Specified Office located in such place as may be required by the Conditions;

- (v) if a Currency Calculation Agent is specified in the relevant Final Terms or Pricing Supplement, the Issuer shall at all times maintain a Currency Calculation Agent;
- (vi) if and for so long as the Notes are admitted to listing and/or to trading and/or quotation on any listing authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent in any particular place, the Issuer shall maintain a Paying Agent (which may be the Fiscal Agent) and a Registrar (for Registered Notes) each with a Specified Office in the place required by such listing authority, stock exchange and/or quotation system;
- (vii) the Issuer shall at all times maintain a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive;
- (viii) in the case of VP Systems Notes, the Issuer shall at all times maintain a VP Systems Agent authorised to act as an account holding institution with the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, and one or more Calculation Agent(s) where the Terms and Conditions of the relevant VP Systems Notes so require; and
- (ix) in the circumstances described in Condition 11.3 (*Payments in New York City*), the Issuer shall maintain a Paying Agent with a Specified Office in New York City.

19.3 *Change of Specified Offices:* The Paying Agents, the Registrar, the VP Systems Agent, the Calculation Agent and the Currency Calculation Agent reserve the right at any time to change their respective Specified Offices to some other Specified Office in the same city. Notice of any change in the identities or Specified Offices of any Paying Agent, Registrar, the VP Systems Agent, the Calculation Agent or the Currency Calculation Agent shall promptly be given to the Holders in accordance with Condition 22 (*Notices*).

20. Meetings of Holders; Modification and Waiver

20.1 *Meetings of Holders of Notes other than VP Systems Notes:* This Condition 20.1 is only applicable in relation to Notes other than VP Systems Notes. The Agency Agreement contains provisions (which shall have effect as if incorporated herein) for convening meetings of Holders of Notes of any Series (other than VP Systems Notes) to consider matters relating to such Series of Notes, including (without limitation) the modification by Extraordinary Resolution (as defined in the Agency Agreement) of any provision of these Conditions and the Deed of Covenant insofar as the same may apply to such Notes. Any Extraordinary Resolution duly passed at any such meeting of Holders of Notes of any Series will be binding on all Holders of Notes of such Series, whether present or not at the meeting and on all Holders of Coupons relating to Notes of such Series.

Subject as provided in these Conditions, no other modification may be made to the Notes of any Series, these Conditions, the Agency Agreement or the Deed of Covenant except with the sanction of an Extraordinary Resolution and, in the case of a modification to the Agency Agreement, the consent of the Fiscal Agent.

Any such modification shall be binding on the Holders and the Couponholders and any such modification shall be notified to the Holders in accordance with Condition 22 (*Notices*) as soon as practicable thereafter.

21. Further Issues

The Issuer may from time to time, without the consent of the Holders or the Couponholders, create and issue further Notes having the same Terms and Conditions as the Notes in all respects (or in all respects except for the first payment of interest, if any, on them and/or the issue price thereof) so as to form a single series with the Notes.

22. Notices

22.1 *Bearer Notes*: Notices to Holders of Bearer Notes will, save where another means of effective communication has been specified herein or in the relevant Final Terms or Pricing Supplement, be deemed to be validly given if published in a leading English language daily newspaper having general circulation in Europe or, if such Notes are listed on the Official List of the Irish Stock Exchange and admitted to trading on the regulated market of the Irish Stock Exchange (so long as such Notes are listed on the Official List of the Irish Stock Exchange and the rules of that exchange so permit), if published on the website of the Irish Stock Exchange (www.ise.ie).

The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to trading.

Any notice so given will be deemed to have been validly given, in the case of any Bearer Notes, on the date of first such publication (or, if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers). Couponholders will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Notes in accordance with this Condition.

Notwithstanding Condition 22 (Notices), while all the Notes are represented by one or more Global Notes and such Global Note(s) are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, notices to Holders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system for communication by them to the persons shown in their respective records as having interests therein and, in any case, such notices shall be deemed to have been given to the Holders in accordance with Condition 22 (Notices) on the date of delivery to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

22.2 *Registered Notes*: Notices to Holders of Registered Notes will, save where another means of effective communication has been specified herein or in the relevant Final Terms or Pricing Supplement, be deemed to be validly given if sent by first class mail (or equivalent) or (if posted to an overseas address) by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day and, if such Notes are listed on the Official List of the Irish Stock Exchange and admitted to trading on the regulated market of the Irish Stock Exchange (so long as such Notes are listed on the Official List of the Irish Stock Exchange and the rules of that exchange so permit), if published on the website of the Irish Stock Exchange (www.ise.ie).

The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Registered Notes are for the time being listed or by which they have been admitted to trading.

Notwithstanding Condition 22 (Notices), while all the Notes are represented by one or more Global Notes and such Global Note(s) are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC and/or any other relevant clearing system, notices to Holders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or DTC and/or any

other relevant clearing system for communication by them to the persons shown in their respective records as having interests therein and, in any case, such notices shall be deemed to have been given to the Holders in accordance with Condition 22 (Notices) on the date of delivery to Euroclear and/or Clearstream, Luxembourg and/or DTC and/or any other relevant clearing system.

- 22.3 *VP Systems Notes*: All notices regarding the VP Systems Notes will be deemed validly given (a) if published in accordance with the procedures of the VP, VP Lux, VPS or Euroclear Sweden, as the case may be, and (b) if and for so long as the Notes are admitted to trading and/or listed on any stock exchange or any other relevant authority, if published in any manner which complies with the rules of such stock exchange or other relevant authority.

Any such notice will be deemed to have been given on the date it is published in accordance with the procedures of the VP, VP Lux, VPS or Euroclear Sweden, as the case may be.

23. Currency Indemnity

The currency in which the Notes are denominated or, if different, payable, as specified in the relevant Final Terms or Pricing Supplement (the “**Contractual Currency**”), is the sole currency of account and payment for all sums payable by the Issuer in respect of the Notes, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction or otherwise) by any Holder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount of the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that amount is less than the amount of the Contractual Currency expressed to be due to any Holder in respect of such Note or Coupon the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Notes or any judgment or order. Any such loss as aforesaid shall be deemed to constitute a loss suffered by the relevant Holder and no proof or evidence of any actual loss will be required by the Issuer.

24. Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any Note, any right in these Conditions shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

25. Governing Law and Jurisdiction

- 25.1 *Governing Law*: The Notes, the Agency Agreement and the Deed of Covenant, and any non-contractual obligations arising therefrom or in connection therewith, shall be governed by, and construed in accordance with, English law, except for Condition 5.2 (*Status – Subordinated Notes*), Condition 9 (*Reduction of Amounts of Principal and Unpaid Interest*), Condition 10.2(B) (*Early redemption for tax reasons: Subordinated Notes*), Condition 10.3 (*Early redemption upon the occurrence of a Capital Event*) and Condition 16 (*Enforcement Events*) and for the registration of Notes in the VP, which shall be governed by, and shall be construed in accordance with, Danish law. In the case of the registration of Notes in the VP Lux, VPS or Euroclear Sweden, such registration shall be governed by, and shall be construed in accordance with, Luxembourg law, Norwegian law and Swedish law, respectively.

- 25.2 *English courts*: The courts of England have jurisdiction to settle any dispute (a “**Dispute**”) arising from or connected with the Notes (including any Dispute relating to any non-contractual obligations arising from or connected with the Notes).
- 25.3 *Appropriate forum*: The Issuer agrees that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary.
- 25.4 *Rights of the Holders to take proceedings outside England*: Condition 25.2 (*English courts*) is for the benefit of the Holders only. As a result, nothing in this Condition 25 prevents any Holder from taking proceedings relating to a Dispute (“**Proceedings**”) in any other courts with jurisdiction. To the extent allowed by law, any Holder may take concurrent Proceedings in any number of jurisdictions.
- 25.5 *Service of process*: The Issuer agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to the Issuer at 75 King William Street, London EC4N 7DT or at any address of the Issuer in Great Britain at which service of process may be served on it in accordance with the Companies Act 2006. Nothing in this paragraph shall affect the right of any Holder to serve process in any other manner permitted by law. This Condition applies to Proceedings in England and to Proceedings elsewhere.

26. Rights of Third Parties

No person shall have any right to enforce any term or Condition in respect of a Note under the Contracts (Rights of Third Parties) Act 1999.

As at 31 December 2012, the Group’s total assets amounted to DKK 3,485 billion (EUR 467.1 billion)² and the Group employed approximately 20,300 employees.

Personal Banking offers a wide range of financial products and services within banking, property financing, leasing, insurance and pensions. The unit encompasses operations in Denmark, Finland, Sweden, Norway, Ireland, Northern Ireland and Luxembourg.

Business Banking

Business Banking serves business customers through a network of finance centres, business centres, contact centres and online channels. Business Banking offers leading solutions in such fields as online banking, financing, leasing, cash management and risk management. Wholesale banking services are provided to the largest institutional and corporate customers in the Nordic region. Institutional Banking includes services provided to international financial institutions outside the Nordic region.

Danske Capital

Danske Capital develops and sells asset management solutions and wealth management products and services that are marketed through Personal Banking and directly to businesses, institutional clients and external distributors. Danica Pension also sells Danica Traditionel, a product that does not offer individual investment profiles and for which Danica Pension sets the rate of interest on policyholders' savings. As at 31 December 2012, Danica Pension had 799 employees.

As at 31 December 2012, Danica Pension's total investment assets (customer funds) amounted to DKK 291 billion (EUR 38.9 billion), with unit-linked assets (assets managed on behalf of policy holders) amounting to DKK 29 billion (EUR 3.9 billion).

Non-Core

The Non-core business unit is responsible for the controlled winding-up of the loan portfolio that is no longer considered part of the Group's core activities. The portfolio consists mainly of loans to customers in Ireland, and the Group aims to wind up or divest these exposures.

Other Activities

Other Activities consists of the following Group resource and service functions: Group Risk Management; Group Finance & Legal (including Group Treasury); Group HR; Group Communications; Group IT; and Group Services. These service areas support the main business units, performing tasks that span various customer groups and markets.

Funding structure

The Group continues to ensure that it has a prudent ratio between lending and long-term funding. In addition, the Group has comprehensive and well-established funding programmes, including covered bonds. The existing CP, CD and EMTN programmes are used for short- and medium-term funding, while covered bond issues are used mainly for longer-term funding. Covered bonds thus help diversify the Group's funding across investors and maturities.

The Group has two channels through which it grants mortgage loans: (i) Realkredit Danmark A/S; and (ii) the Issuer itself including bank subsidiaries.

The mortgage loans on the Realkredit Danmark A/S platform are funded through the issuance of mortgage bonds according to the Danish Mortgage-Credit Loans and Mortgage-Credit Bonds, etc. Act and executive orders issued by the Danish FSA (the “DFSA”).

Realkredit Danmark A/S currently issues mortgage covered bonds only through the Capital Centres of Realkredit Danmark A/S.

Shareholders’ equity

The Issuer’s shareholders’ equity was DKK 138 billion (EUR 18.5 billion) as at the end of 2012 against DKK 126 billion (EUR 16.9 billion) at the end of 2011.³

At year-end 2012, the Issuer’s authorised and issued share capital totalled DKK 10,086,200,000 (EUR 1,352 million) based on 1,008,620,000 shares of DKK 10 (EUR 1.34) each. The Issuer’s shares are listed on the NASDAQ OMX, Copenhagen.

On 30 October 2012 the Issuer announced that its Board of Directors had resolved to launch an offering of new shares in order to raise approximately DKK 7 billion (EUR 938 million)⁴ in new equity through an accelerated book building process. The offering of 76,880,966 new shares of DKK 10 (EUR 1.34) each represented approximately 8.3 per cent. of the Issuer’s registered share capital before the capital increase and accounts for approximately 7.6 per cent. of the Issuer’s registered share capital following completion of the capital increase. The final subscription price was DKK 93 (EUR 12.47) per new share, raising gross proceeds of DKK 7,149,929,838 (EUR 958,461,331) for the Issuer, and thus increasing the Issuer’s share capital of nominal DKK 768,809,660 (EUR 103,060,358). Following the capital increase, the share capital of the Issuer consists of 1,008,620,000 shares of nominal value DKK 10 (EUR 1.34) each, equal to a nominal value of DKK 10,086,200,000 (EUR 1,352,073,782).

At year-end 2012, the Issuer had approximately 327,000 shareholders. According to the Danish Companies Act, shareholders must notify a company if their shareholding exceeds 5 per cent. of the company’s share capital or higher percentages divisible by 5. Three shareholder groups have notified the Issuer that they hold more than 5 per cent. of its share capital at the end of 2012:

- A.P. Møller and Chastine Mc-Kinney Møller Foundation, Copenhagen, held a total of (directly and indirectly) 22.84 per cent. of the share capital of which A.P. Møller-Maersk A/S directly holds 20 per cent.;
- Realdania, Copenhagen, held directly 10.07 per cent. of the share capital; and
- Cevian Capital II GP Limited (in its capacity as general partner of Cevian Capital II Master Fund LP, Cevian Capital II Co-Investment Fund LP and Cevian Capital II Co-Investment No. 3 LP) held 5.06 per cent. of the share capital.

In addition, on 27 February 2013 Cevian Capital II Master Fund LP announced that it had increased its holding of shares in the Issuer whereby its holding of shares amounts to 51,174,252 shares in the Issuer of a nominal value of DKK 511,742,520, equivalent to 5.07 per cent. of the Issuer’s share capital. The aforementioned holding and major shareholder announcement related only to Cevian Capital II Master Fund LP and did not include any holding of shares by Cevian Capital II Co-Investment Fund LP, Cevian Capital II Co-Investment No. 3 LP, Icahn Partners L.P., Icahn Partners Master Fund L.P., Icahn Partners Master Fund II L.P., Icahn Partners Master Fund III, L.P. and High River Limited Partnership.

On 6 March 2013 Realdania announced that it had sold 52,000,000 shares in the Issuer and thus now owned less than 5 per cent. of the share capital and voting rights of the Issuer. After the sale, Realdania owns 49,582,485 shares, equivalent to 4.91 per cent. of the Issuer’s share capital.

³ FX rate at 31 December 2011 = 7.4342 DKK per EUR.

⁴ Unless specified, DKK amounts in this paragraph are converted into EUR at 7.4598 DKK per EUR.

Accordingly, the Issuer currently has two shareholder groups that hold more than 5 per cent. of its share capital:

- A.P. Møller and Chastine Mc-Kinney Møller Foundation, Copenhagen, hold a total of (directly and indirectly) 22.84 per cent. of the share capital of which A.P. Møller-Maersk A/S directly holds 20 per cent.; and
- Cevian Capital II Master Fund LP holds 5.07 per cent. of the share capital.

The Issuer estimates that more than 45 per cent. of its share capital is held by investors outside of Denmark. Most foreign investors are based in the United States and the United Kingdom.

Capital and Solvency

Pursuant to the Danish Act No. 67 of 3 February 2009 on State Capital Injections in Credit Institutions etc., as amended by the Consolidated Act. No. 876 of 15 September 2009, Act No. 516 of 12 June 2009, Act No. 1273 of 16 December 2009 and Act No. 556 of 21 December 2010, (the “**Credit Act**”), a scheme was set up whereby the Danish state offered to inject state funded tier 1 hybrid capital and/or to underwrite issues of tier 1 hybrid capital for Danish banks and mortgage credit institutions. The capital injections were in the form of tier 1 hybrid capital without a set maturity and a possibility for redemption after three years. Redemption is to be subject to approval from the DFSA.

At the general meeting of the Issuer held on 4 March 2009, the shareholders authorised the Board of Directors to apply for and implement a tier 1 hybrid capital injection from the Danish state. In May 2009, the Issuer and Realkredit Danmark A/S received subordinated loan capital from the Danish state in the form of hybrid core capital of approximately DKK 24 billion (EUR 3,224 million)⁵ and approximately DKK 2 billion (EUR 269 million)⁶, respectively. The subordinated loans have strengthened the capital base, and the Group is better prepared to withstand losses that any further negative economic developments may cause. In May 2012, the subordinated loan capital of approximately DKK 2 billion (EUR 269 million) for Realkredit Danmark A/S was repaid. In contrast to the three-year redemption limitation described above, the Issuer’s subordinated loan capital can only be redeemed at the earliest on 11 April 2014, i.e. 5 years after the issue date thereof. The following table below shows the total capital ratio, tier 1 capital ratio and core tier 1 capital ratio excluding hybrid capital. The second table shows the risk-weighted assets, subordinated debt and hybrid capital. The interest rate (defined as “annual yield”) on the loans from the Danish state is 9.265 per cent. per annum, with an annual premium of 0.5 of a percentage point per annum for the conversion option. The interest rate will increase if the Issuer pays dividends in excess of DKK 5.5 billion (EUR 0.74 billion) per annum.

Pursuant to the agreement on state-funded capital injection between the Issuer and the Danish state, dated 5 May 2009 (the “**State-funded Hybrid Agreement**”), the Issuer is subject to, amongst other things, restrictions on capital reductions, share repurchases and the terms of new and existing share issues, restrictions on the distribution of dividends, restrictions on the use of funds to capitalise businesses in violation of the Credit Act and certain conditions concerning executive pay and bonuses. The State-funded Hybrid Agreement is annexed to the Articles of Association which are available for inspection at the places specified in “General Information”.

At 31 December 2012, the total capital ratio was 21.3 per cent., with a core tier 1 capital ratio of 14.5 per cent. and a tier 1 capital ratio of 18.9 per cent.

At the end of 2012, the Group's risk-weighted assets ("RWA") amounted to DKK 819 billion (EUR 109.8 billion), against DKK 906.0 billion (EUR 121.9 billion)⁷ at the end of 2011. The decline in RWA of DKK 87 billion (EUR 12 billion)⁸ from 2011 was caused primarily by the disposal of conduit loans and other portfolio changes.

The Group's capital base consists of tier 1 capital (equity capital and hybrid capital after deductions) and tier 2 capital. At 31 December 2012, the capital base amounted to DKK 174 billion (EUR 23.3 billion)⁸, and the total capital ratio was 21.3 per cent. The core tier 1 capital ratio stood at 14.5 per cent.

The Group's strong financial position was confirmed by the EBA's capitalisation test of European banks, which was published in December 2011 and again in a final report in October 2012. This test was conducted to assess European banks' need for recapitalisation. As expected, the Group passed the test with a capital level substantially above the EBA's requirement.

In March 2013, the Issuer redeemed one subordinated loan of EUR 500 million (DKK 3,727 million)⁹. In June 2013, the Issuer redeemed one subordinated loan of EUR 500 million (DKK 3,729 million)¹⁰. In September 2012, the Issuer issued subordinated debt, comprising tier 2 capital (the "RAC Tier 2 Notes"), of USD 1 billion (DKK 5.7 billion)¹¹ to improve its risk adjusted capital ("RAC") in accordance with S&P's rating methodology criteria. In July 2013, S&P revised its bank hybrid methodology, which resulted in the reclassification of the equity content assigned by S&P to the RAC Tier 2 Notes to "minimal" from "intermediate", therefore implying that the RAC Tier 2 Notes can no longer be included in the Issuer's RAC ratio. Accordingly, on 18 September 2013 the Issuer launched a cash tender offer in relation to the RAC Tier 2 Notes. The tender offer settled on 4 October 2013 with 90.9 per cent. of the RAC Tier 2 Notes being tendered. The Issuer also announced a variation of the terms and conditions of the RAC Tier 2 Notes to permit an early redemption of the RAC Tier 2 Notes, at the option of the Issuer, at any time prior to the fifth anniversary of the date of issuance, as a result of the occurrence of a "Rating Methodology Event". Due to the above change of equity content assigned by S&P to the RAC Tier 2 Notes, the Issuer has issued an early redemption notice and currently intends to redeem the RAC Tier 2 Notes pursuant to such early redemption right on 18 November 2013. In October 2013, the Issuer issued subordinated debt, comprising tier 2 capital of EUR 1 billion (DKK 7.5 billion).¹²

Restrictions on Distributions

As a result of the Issuer's participation in the Danish bank packages, the Issuer could not distribute dividends for the financial years ended 31 December 2008 and 2009. Since 1 October 2010, and for as long as the Danish state holds hybrid capital in the Issuer, the Group may distribute dividends only if the dividends can be paid in full out of the net profit. The loan agreement with the Danish state also stipulates an increase in the interest rate if annual dividend payments exceed DKK 5.5 billion (EUR 0.74 billion).

The Group aims to resume dividend payments of 40 per cent. of net profit as soon as it is prudent.

Risk Management

Introduction

The Issuer's Rules of Procedure for the Board of Directors and the Executive Board (the "**Rules of Procedure**") specify the responsibilities of the two boards and the division of responsibilities between them. The Rules of Procedure and the two-tier management structure, which were developed in accordance with Danish legislation, are central to the organisation of risk management and the policy on lending authority limits in the Group.

The Board of Directors lays down overall policies, while the Executive Board is in charge of the Group's day-to-day management. The risk and capital management functions are separate from the credit assessment and credit-granting functions.

Responsibility for the day-to-day management of risks in the Group is divided between Group Finance & Legal, Group Risk Management and the business units. The Group has established a segregation of duties between units that enter into business transactions with customers or otherwise expose the Group to risk on the one hand, and units in charge of overall risk management on the other.

Group Risk Management

Group Risk Management is headed by the Group's chief risk officer ("**CRO**"), who is member of the Executive Board.

The department has overall responsibility for monitoring the Group's risk policies and for monitoring, following up and reporting on risk issues across risk types and organisational units. Group Risk Management also serves as a resource for referrals from local risk committees.

The department supports and challenges the rest of the risk management organisation in risk management practices and reporting. It serves as secretariat for the All Risk Committee. Senior staff from the department also chair the Risk Model and Parameter Committee, which monitors the Group's use of risk models, results of backtests and changes to parameters; the Operational Risk Committee, which evaluates the management of the Group's key operational risks; and the Product Risk Committee, which reviews risk related to possible new products. A specialised department in Group Risk Management is responsible for the day-to-day monitoring of operational risks.

In addition, the department has overall responsibility for setting the group-wide risk appetite and policies, for reviewing the approval and follow-up processes in the business units' lending books, and for monitoring and reporting on the Group's consolidated lending portfolio - including the determination of portfolio limits for specific industries and countries.

Group Risk Management is also responsible for facilitating the quarterly process of calculating and consolidating the impairment of credit exposures.

A unit within the department is responsible for developing credit rating and valuation models and for ensuring that they are available for day-to-day credit processing at the business units and that they meet statutory requirements. A separate unit is responsible for backtesting and validating credit risk parameters in collaboration with the business units.

Group Finance & Legal

Group Finance & Legal is headed by the Group's chief financial officer ("CFO"), who is member of the Executive Board. The department is responsible for the Group's financial reporting, budgeting and strategic business analysis, including the tools used by the business units for performance follow-up and analysis.

The department is also in charge of the Group's investor relations, capital structure, capital allocation, regulatory matters and relations with international rating agencies.

It is also responsible for the Group's solvency, RWA, leverage ratio and capital allocation and the Group's internal capital adequacy assessment process ("ICAAP").

Within Group Finance & Legal, Group Treasury is responsible for monitoring liquidity risk and funding needs. Group Treasury also ensures that the Group's structural liquidity profile enables the Group to comply with the limits and meet the targets set by the Board of Directors and the All Risk Committee as well as regulatory and prudential requirements.

Furthermore, Group Treasury is responsible for asset liability management, private equity activities and long-term funding activities.

Business units

The business units' mandate to originate and accumulate risk exposure for the Group in their daily work is regulated by risk policies, instructions and limits. The Group strives to cultivate a corporate culture that supports and enforces the organisation's objective to undertake selected risks according to guidelines that have been agreed upon.

Responsibility for all business-related risks is with the heads of the business units and the heads of the operations and services areas. Their responsibilities extend across national borders, thus risk management is centralised by business segment. The segment-based organisation enables risk management processes to be tailored to the various customer segments and to be aligned across borders. Lending authorities for specific customer segments and products are granted to the individual business units. Credit decisions exceeding the delegated authorities are referred to the Executive Board and the Board of Directors as required.

The business units carry out all the fundamental tasks required for sound risk management and controls. These tasks include updating the information about customers that is used in risk management tools and models as well as maintaining and following up on customer relationships.

Each business unit is responsible for preparing documentation before undertaking business transactions and for recording the transactions properly. Each unit is also required to update information on customer relationships and other issues as necessary.

The business units must also ensure that all risk exposures comply with specific risk limits as well as the Group's other guidelines.

Certain risk areas, such as market risk and liquidity risk, are still managed centrally at the group level.

Increased attention from local regulators - especially where activities are organised in local legal entities - led the Group to strengthen governance structures for risk management from a local perspective. In the new organisation, country managers and local risk officers are responsible for ensuring compliance with local rules and

regulations. Local risk committees as well as asset and liability management committees have also been set up where they are relevant.

Legal Proceedings

Owing to its business volume, the Group is continually a party to various lawsuits and disputes. In view of its size, the Group does not expect the outcome of pending lawsuits and disputes to have any material effect on its financial position.

Bank Packages

With effect from 1 October 2010 the Act on Financial Stability (Chapter 4a of the Danish Act No. 1003 of 10 October 2008 on Financial Stability, as amended by Consolidated Act No. 875 of 15 September 2009, Act No. 516 of 12 June 2009, Act No. 1273 of 16 December 2009, Act No. 721 of 25 June 2010, Act No. 1556 of 21 December 2010 and Act No. 619 of 14 June 2011, Act No. 273 of 27 March 2012, Act No. 1231 of 18 December 2012 and Act No. 1287 of 19 December 2012, and as further amended from time to time (the “**Act on Financial Stability**”)) was amended *inter alia* to allow for a controlled winding-up of a distressed bank through the Financial Stability Company which is known as “**Bank Package III**”. The resolution scheme is voluntary and contains no general state guarantee of creditors. With respect to SIFIs, please see “European implementation of the Basel III Framework” below.

The intention of the winding-up procedures is to wind up a distressed bank faster than under the traditional bankruptcy procedures. The procedures do not alter the risk for the creditors, which is that under both the winding-up procedures and the traditional bankruptcy procedures, the creditors may lose all or part of their claims.

The Act on Financial Stability was further amended with effect from 23 June 2011 in order to allow for the Guarantee Fund for Depositors and Investors to contribute with a financial inducement to encourage a sound bank to take over all activities of a distressed bank, including all unsubordinated and unsecured claims. On 25 August 2011 a number of consolidation initiatives was agreed upon by the vast majority of the political parties in the Danish Parliament (“**Bank Package IV**”). Bank Package IV provides for a strengthening of the compensation scheme in order to create greater incentives for sound banks to wholly or partly take over a bank in distress. In particular, Bank Package IV provides for the Danish state to contribute in the compensation scheme with an amount up to the equivalent of the haircut that would have been imposed on any state guaranteed bonds that were issued by the bank in distress. Contrary to Bank Package III, the unsubordinated and unsecured senior creditors will not suffer any loss if Bank Package IV is applied.

New Capital and Liquidity Regulations

New regulations for the financial sector are being proposed in the EU and beyond. The Group follows this process closely and supports measures that strengthen the resilience of the sector and its ability to support economic growth. The Group is of the opinion that the Basel III guidelines generally meet this criterion.

European implementation of the Basel III Framework

The final versions of the CRR and the CRD IV Directive (for the purposes of this “Description of the Danske Bank Group” section, in each case as defined in the risk factor on page 16 of this Prospectus headed “Loss absorption at the point of non-viability of the Issuer and resolution”) adopted in June 2013 will enter into force by 1 January 2014. The framework implements among other things the Basel Committee on Banking Supervision’s proposals imposing stricter capital and liquidity requirements upon banks (“**Basel III**”) in the EU. Each of the CRR and the CRD IV Directive covers a wide range of prudent requirements for banks across EU member states, including capital requirements, stricter and aligned definitions of capital, risk-weighted assets (“**RWA**”), leverage ratio, large exposure framework and liquidity and funding requirements. The CRD IV Directive covers the overall supervisory framework for banks (including the individual risk assessment) and other measures such as the

combined capital buffer requirements, SIFI definition (as defined below), governance and remuneration requirements.

The CRD IV Directive comes into force through implementation in the Danish Financial Business Act, whereas the CRR applies immediately without implementation in national law. The phase-in of the capital requirements is expected to follow the path in the CRR until 2018 unless already required in applicable Danish legislation. The European Banking Authority (“EBA”) will propose detailed rules through binding technical standards during the second-half of 2013 and 2014 for many areas including, *inter alia*, liquidity requirements and certain aspects of capital requirements.

Under the CRD IV Directive and the Basel III framework, the minimum capital requirement for common equity tier 1 (“CET1”) (which does not include hybrid capital) will be phased in gradually from the current 2 per cent. RWA to up to 9.5 per cent. in 2019. The 9.5 per cent. requirement will include a “capital conservation buffer requirement” of 2.5 per cent. and a “countercyclical buffer requirement” of 0-2.5 per cent. in addition to the minimum requirement of 4.5 per cent. The countercyclical buffer requirement will apply in periods of excess lending growth in the economy and can vary for each jurisdiction. If a bank does not maintain these buffers (in excess of the 4.5 per cent. CET1 minimum requirement), restrictions will be placed on its ability to pay dividends and make other payments.

For each SIFI there will be additional capital requirements beyond the minimum requirements. In October 2013 a political agreement on SIFI requirements was reached in Denmark. In the agreement, which has yet to be implemented into Danish law, the Issuer has been designated as a SIFI. According to the agreement, this will require the Issuer to comply with an additional CET1 capital requirement of 3 per cent. beyond the CRD IV requirement. The intention is for the capital requirements imposed on Danish SIFIs to be on a par with the requirements set in other comparable European countries. Accordingly the final level of the Danish SIFI capital requirements will be assessed no later than 2017 after evaluating these other countries’ final requirements. Regulations for the crisis management of Danish SIFIs and other banks and mortgage-credit institutions will not be established until forthcoming common EU crisis management regulations have been agreed upon, in particular the RRD and SRM proposals, including whether there should be additional requirements for Danish banks to issue debt that can be bailed-in. The agreement specifically states that it is not the intention that Danish SIFIs shall be resolved pursuant to Bank Package III. A position on the LCR requirement for Danish SIFIs awaits the European Commission’s decision in 2014 on the final definition of the LCR requirement, including clarification of which assets can be used in complying with the LCR requirement, in particular whether Danish covered bonds can be used. All SIFIs must comply with the LCR requirement by 2015. The framework also contains stricter requirements for the quality of capital that may count as CET1 capital and for the calculation of RWA. The Group estimates that the effect of the CRR and the CRD IV Directive on its core tier 1 capital ratio at 30 June 2013 (after having taken the recent DFSA orders on RWA into account) will be a reduction of about 1.8 percentage points when the rules are fully phased in in 2018. The reduction entails changes in various elements. The Group assumes that the deduction requirement for Danica Pension under the EU Financial Conglomerates Directive will continue. The Group expects clarification in Danish legislation in the second half of 2013. See Interim Report – First Half 2013 for further detail.

As regards liquidity, the Basel Committee proposed two liquidity ratios in December 2012: (i) the LCR and the Net Stable Funding Ratio (“NSFR”). The LCR stipulates that banks must have a liquidity buffer that ensures a survival horizon of at least 30 calendar days in the case of a seriously stressed liquidity situation. The NSFR is intended to ensure a sound funding structure by promoting an increase in long-dated funding. The NSFR stipulates that at all times banks must have stable funding equal to the amount of their illiquid assets for one year ahead.

In January 2013, the Basel Committee issued revisions to its guideline for the LCR. The revisions include a phasing-in of the minimum requirement in which it will be set at 60 per cent. in 2015 and rise in equal annual steps to 100 per cent. on 1 January 2019. The revisions also include an expansion of the pool of level 2 liquid assets that can be counted in the liquidity buffer and a reduction of the weights assigned to certain liquidity outflows.

In Europe, the focus is on the LCR, but the definition of the LCR is still awaiting additional technical guidance from the EBA in 2014. Nevertheless, it is of great significance in the measurement of the Group's liquidity buffer with the LCR that the CRD IV Directive proposal enables most of the Group's holdings of covered bonds, including Danish mortgage bonds, to be classified as level 1 liquid assets, on par with Danish government bonds, for example.

It is unclear how the EU authorities will choose to incorporate or modify the Basel Committee's revisions to the LCR in any future revisions to the CRR. The Basel Committee's revisions are therefore not incorporated in the Group's reported LCR. If the Basel Committee's revisions are to be incorporated in the CRR, and if the EBA still enables most of the Group's holdings of covered bonds, including Danish mortgage bonds, to be classified as level 1 liquid assets, these revisions are expected to have a positive effect on the Group's LCR.

With an LCR of 132 per cent. at the end of June 2013, the Group complied with the LCR requirement. The Group also complied with all other liquidity requirements. Stress tests show that the Group has sufficient liquidity buffer for the coming 12 months.

Solvency II (insurance)

Once the new international insurance solvency rules, Solvency II, take effect, not expected before 2016, the requirements for capital strength in the insurance area will be the focus of attention. The rules are intended to protect customers' funds and will generally increase the capital requirements. Danica is well-prepared for the new rules. Danica is closely monitoring the work on the coming EU solvency rules, Solvency II which, among other things, are set to change the existing volume-based capital requirement to a capital requirement that more accurately reflects the risks involved in the operation.

Solvency II was previously set to take effect at 1 January 2014. However, in the autumn of 2012 the European Insurance and Occupational Pensions Authority ("EIOPA") announced that this is no longer realistic. Instead, EIOPA expects the new rules to take effect at 1 January 2016. The postponement is due to the many remaining unresolved issues that are holding up the legislative process. A central unresolved issue is the treatment of long-term guarantees. Despite the lingering uncertainty as to the effective date of Solvency II, in 2012 Danica continued preparing for the transition to Solvency II. It is not yet possible to predict what Danica's capital requirements will be under Solvency II as the amounts of long-term guarantees, among other factors, are of great significance to the coming capital requirements. However, Danica Pension does not expect the company's excess core capital to change significantly under the new rules once implemented.

Recent Developments

Danske Bank has received orders from the DFSA

On 17 June 2013, the DFSA issued orders to Danske Bank concerning its use of the internal ratings-based approach in capital adequacy calculations (the IRB approach) and solvency need calculations.

Apart from the order in relation to exposures on other institutions, Danske Bank does not agree with the orders and has appealed to the Company Appeals Board.

The DFSA's orders

The DFSA has given Danske Bank four orders that can be summed up as follows:

- With effect from 31 December 2013, increase Corporate Risk Weight excluding counterparty risk by 10 percentage points compared to Q4 2012. In this connection, Danske Bank can reduce Pillar II add-ons in its solvency need calculation.

- With effect from 30 June 2014, ensure that Through The Cycle Probability of Default (TTC PD) values for exposures with counterparty risk reflect the increase for the remaining corporate portfolio. In the meantime, Danske Bank must include an add-on in its solvency need calculation.
- With effect from 30 June 2013, an order to set aside additional capital in its solvency need calculations to cover risks deriving from exposures to other institutions.
- With effect from 30 June 2013, an order to remove a deduction from the solvency need.

Consequences of the orders

Without prejudice to the appeal referred to above, Danske Bank has begun implementing the new requirements.

In the third quarter, Danske Bank implemented the first of these orders by increasing the risk weights for its corporate portfolio. This increased risk-weighted assets by DKK 96 billion (EUR 12.9 billion) to DKK 868 billion (EUR 116.4 billion) at 30 September 2013¹³, against DKK 819 billion (EUR 109.8 billion) at 31 December 2012.¹⁴ The remaining orders are for now addressed in the Group's solvency need with temporary Pillar 2 add-ons of a combined DKK 4 billion (EUR 0.5 billion). The add-ons will be removed when the Group is ready to implement the orders sometime during 2014.

The DFSA's decision is available at www.danskebank.com/ir.

SUBSCRIPTION AND SALE

Notes may be sold from time to time by the Issuer to any one or more of Barclays Bank PLC, BNP Paribas, Citigroup Global Markets Limited, Credit Suisse Securities (Europe) Limited, Danske Bank A/S, Deutsche Bank AG, London Branch, Goldman Sachs International, HSBC Bank plc, J.P. Morgan Securities plc, Merrill Lynch International, Morgan Stanley & Co. International plc and UBS Limited (the “**Dealers**”). Notes may also be sold by the Issuer directly to institutions who are not Dealers. The arrangements under which Notes may from time to time be agreed to be sold by the Issuer to, and purchased by, Dealers are set out in an amended and restated dealership agreement dated 15 November 2013 (the “**Dealership Agreement**” which expression shall include any amendments or supplements thereto or any amendment and restatement thereof) and made between the Issuer and the Dealers. Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Notes, the price at which such Notes will be purchased by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such purchase. The Dealership Agreement makes provision for the resignation or termination of the appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Notes.

United States of America: Regulation S Category 2; TEFRA D, unless TEFRA C is specified as applicable in the relevant Final Terms or Pricing Supplement; Rule 144A eligible if so specified in the relevant Final Terms or Pricing Supplement.

Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except that Notes in registered form may be offered or sold to qualified institutional buyers (as defined in Rule 144A under the Securities Act) in reliance on the exemption from registration requirements of the Securities Act provided by Rule 144A. Terms used in the preceding sentence have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to U.S. persons, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that, except as permitted by the Dealership Agreement, it will not offer, sell or deliver Notes, (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Notes comprising the relevant Tranche, as certified to the Fiscal Agent or the Issuer by such Dealer (or, in the case of a sale of a Tranche of Notes to or through more than one Dealer, by each of such Dealers as to the Notes of such Tranche purchased by or through it, in which case the Fiscal Agent or the Issuer shall notify each such Dealer when all such Dealers have so certified) (the “**distribution compliance period**”) within the United States or to, or for the account or benefit of, U.S. persons (other than Notes sold pursuant to Rule 144A), and it will have sent to each distributor, dealer or person to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the respective meanings given to them by Regulation S under the Securities Act.

In addition, until forty days after the commencement of the offering of Notes comprising any Tranche, any offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A under the Securities Act (if available).

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed, and each further Dealer

appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (i) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “**Non-exempt Offer**”), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- (ii) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (iii) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer(s) nominated by the Issuer for any such offer; or
- (iv) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (ii) to (iv) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in the Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU.

United Kingdom

Each Dealer has further represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) **Financial promotion:** it has only communicated or caused to be communicated, and will only communicate or cause to be communicated, any invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the Financial Services and Markets Act 2000 would not, if the Issuer was not an authorised person, apply to the Issuer; and

- (b) **General compliance:** it has complied and will comply with all applicable provisions of the Financial Services and Markets Act 2000 with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Law No.25 of 1948, as amended; the “**FIEA**”) and each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer or sell any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Control Law (Law No. 228 of 1949, as amended)), or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, a resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the FIEA and any other applicable laws, regulations and ministerial guidelines of Japan.

Denmark

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold and will not offer, sell or deliver any Notes directly or indirectly in Denmark by way of a public offering, unless in compliance with the Danish Consolidated Act No. 982 of 6 August 2013 on Trading in Securities, as amended, and any Executive Orders issued thereunder and in compliance with Executive Order No. 984 of 6 August 2013 to the Danish Financial Business Act.

General

With the exception of the application to the Central Bank for the approval of this document as a Base Prospectus issued in compliance with the Prospectus Directive and relevant implementing measures in Ireland, no action has been or will be taken in any country or jurisdiction by the Issuer or the Dealers that would permit a public offering of Notes, or possession or distribution of any offering material in relation thereto, in any country or jurisdiction where action for that purpose is required. Persons into whose hands this Base Prospectus or any Final Term comes are required by the Issuer and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in or from which they purchase, offer, sell or deliver Notes or have in their possession or distribute such offering material, in all cases at their own expense.

The Dealership Agreement provides that the Dealers shall not be bound by any of the restrictions relating to any specific jurisdiction (set out above) to the extent that such restrictions shall, as a result of change(s) or change(s) in official interpretation, after the date hereof, of applicable laws and regulations, no longer be applicable but without prejudice to the obligations of the Dealers described in the paragraph headed “General” above.

TAXATION

The following is a general description of relevant tax considerations and is not to be regarded as a complete tax analysis of all tax issues related to the Notes. Prospective holders of Notes should consult their professional tax advisers if they are in doubt about their own tax position.

Denmark Taxation

According to the Danish tax laws in effect as of the date of this Base Prospectus, (i) payments of interest or principal amounts to any holder of a Note are not subject to taxation in Denmark, (ii) no withholding tax will be required on such payments and (iii) any gain realised upon the sale, exchange or retirement of a Note will not be subject to taxation in Denmark. This tax treatment applies solely to holders of Notes who are not subject to full tax liability in Denmark or included in a Danish joint taxation scheme and do not carry on business in Denmark through a permanent establishment.

Irish Taxation

The following is a summary of the principal Irish withholding tax consequences of ownership of the Notes for individuals who are resident and ordinarily resident in Ireland for tax purposes and for companies that are resident in Ireland for tax purposes. It is based on the laws and practice of the Revenue Commissioners currently in force in Ireland as at the date of this Base Prospectus and may be subject to change. The statements in this summary are based on the understanding that the Notes will be treated as debt for Irish tax purposes. It deals with Noteholders who beneficially own their Notes as an investment. Particular rules not discussed below may apply to certain classes of taxpayers holding Notes, including dealers in Notes and trusts. The summary does not constitute tax or legal advice and the comments below are of a general nature only and it does not discuss all aspects of Irish taxation that may be relevant to any particular holder of Notes.

Withholding Tax

Tax at the standard rate of income tax (currently 20 per cent.) is required to be withheld from payments of Irish source interest. The Issuer will not be obliged to withhold Irish income tax from payments of interest on the Notes so long as such payments do not constitute Irish source income. Interest paid on the Notes should not be treated as having an Irish source unless:

- (i) the Issuer is resident in Ireland for tax purposes; or
- (ii) the Issuer has a branch or permanent establishment in Ireland, the assets or income of which is used to fund the payments on the Notes; or
- (iii) the Issuer is not resident in Ireland for tax purposes but the register for the Notes is maintained in Ireland or (if the Notes are in bearer form) the Notes are physically held in Ireland.

It is anticipated that, (i) the Issuer is not and will not be resident in Ireland for tax purposes; (ii) the Issuer will not have a branch or permanent establishment in Ireland; (iii) that bearer Notes will not be physically located in Ireland; and (iv) the Issuer will not maintain a register of any registered Notes in Ireland.

Encashment Tax

In certain circumstances, Irish tax will be required to be withheld at the standard rate of income tax (currently 20 per cent.) from any interest paid on Notes issued by a company not resident in Ireland, where such interest is collected or realised by a bank or encashment agent in Ireland on behalf of any Noteholder who is Irish

resident. Encashment tax does not apply where the Noteholder is not resident in Ireland and has made a declaration in the prescribed form to the encashment agent or bank.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the “**Directive**”), Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories (including Switzerland) have adopted similar measures (a withholding system in the case of Switzerland).

The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the Directive.

Foreign Account Tax Compliance Act

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (“**FATCA**”) impose a new reporting regime and potentially a 30 per cent. withholding tax with respect to certain payments to (i) any non-U.S. financial institution (a “**foreign financial institution**”, or “**FFI**” (as defined by FATCA)) that does not become a “**Participating FFI**” by entering into an agreement with the U.S. Internal Revenue Service (“**IRS**”) to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA and (ii) any investor (unless otherwise exempt from FATCA) that does not provide information sufficient to determine whether the investor is a U.S. person or should otherwise be treated as holding a “United States Account” of the Issuer (a “**Recalcitrant Holder**”). The Issuer will be classified as an FFI.

The new withholding regime will be phased in beginning 1 July 2014 for payments from sources within the United States and will apply to “**foreign passthru payments**” (a term not yet defined) no earlier than 1 January 2017. This withholding would potentially apply to payments in respect of (i) any Notes characterised as debt (or which are not otherwise characterized as equity and have a fixed term) for U.S. federal tax purposes that are issued on or after the “**grandfathering date**”, which is the later of (a) 1 July 2014 and (b) the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign passthru payment are filed with the Federal Register, or which are materially modified on or after the grandfathering date and (ii) any Notes characterised as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued. If Notes are issued before the grandfathering date, and additional Notes of the same series are issued on or after that date, the additional Notes may not be treated as grandfathered, which may have negative consequences for the existing Notes, including a negative impact on market price.

The United States and a number of other jurisdictions have announced their intention to negotiate intergovernmental agreements to facilitate the implementation of FATCA (each, an “**IGA**”). Pursuant to FATCA and the “Model 1” and “Model 2” IGAs released by the United States, an FFI in an IGA signatory country could be treated as a “**Reporting FI**” not subject to withholding under FATCA on any payments it receives. Further, an FFI in a Model 1 IGA jurisdiction generally would not be required to withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being “**FATCA Withholding**”) from payments it makes. The Model 2 IGA leaves open the possibility that a Reporting FI might in the future be required to withhold as a Participating FFI on foreign passthru payments and payments that it makes to Recalcitrant Holders. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders

and investors to its home government or to the IRS. The United States and Denmark have signed an agreement (the “**United States-Denmark IGA**”) based largely on the Model 1 IGA.

The Issuer expects to be treated as a Reporting FI pursuant to the United States-Denmark IGA and does not anticipate being obliged to deduct any FATCA Withholding on payments it makes. There can be no assurance, however, that the Issuer will be treated as a Reporting FI, or that it would in the future not be required to deduct FATCA Withholding from payments it makes. Accordingly, the Issuer and financial institutions through which payments on the Notes are made may be required to withhold FATCA Withholding if (i) any FFI through or to which payment on such Notes is made is not a Participating FFI, a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA or (ii) an investor is a Recalcitrant Holder.

Whilst the Notes are in global form and held within the clearing systems, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuer, any Paying Agent and the common depositary given that each of the entities in the payment chain beginning with the Issuer and ending with the clearing systems is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Notes. The documentation expressly contemplates the possibility that the Notes may go into definitive form and therefore that they may be taken out of the clearing systems. If this were to happen, then a non-FATCA compliant holder could be subject to FATCA Withholding. However, Definitive Notes will only be printed in remote circumstances.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and model IGAs, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Notes.

TO ENSURE COMPLIANCE WITH IRS CIRCULAR 230, EACH TAXPAYER IS HEREBY NOTIFIED THAT: (A) ANY TAX DISCUSSION HEREIN IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED BY THE TAXPAYER FOR THE PURPOSE OF AVOIDING U.S. FEDERAL INCOME TAX PENALTIES THAT MAY BE IMPOSED ON THE TAXPAYER; (B) ANY SUCH TAX DISCUSSION WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) THE TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER’S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

The Proposed Financial Transaction Tax (“FTT”)

The European Commission has published a proposal for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia, (the “**participating Member States**”).

The proposed FTT has very broad scope and could, if introduced in its current form, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under current proposals the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

The FTT proposal remains subject to negotiation between the participating Member States and is the subject of legal challenge. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate. Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

GENERAL INFORMATION

1. Application has been made to the Irish Stock Exchange for Notes issued under the Programme to be admitted to the Official List and trading on its regulated market.

However, Notes may be issued pursuant to the Programme which will not be admitted to listing on the Irish Official List and admitted to trading and/or quotation by the regulated market of the Irish Stock Exchange or any other listing authority, stock exchange and/or quotation system or which will be admitted to listing, trading and/or quotation by such listing authority, stock exchange and/or quotation system as the Issuer and the relevant Dealer(s) may agree.

2. The establishment of the Programme was authorised by a resolution of the Board of Directors of the Issuer passed on 26 October 1995. Issuance of Subordinated Notes was authorised by a resolution of the Issuer's Board of Directors passed on 8 August 2013.
4. The Notes (other than VP Systems Notes) have been accepted for clearance through Euroclear and Clearstream, Luxembourg. In addition, the Issuer may make an application for any Rule 144A Notes to be accepted for trading in book-entry form by DTC. Acceptance by DTC of such Notes will be confirmed in the relevant Final Terms or Pricing Supplement. The address of Euroclear is Euroclear Bank SA/NV, 1 Boulevard du Roi Albert II, B-1210 Brussels and the address of Clearstream, Luxembourg is Clearstream Banking, 42 Avenue JF Kennedy, L-1855 Luxembourg. The address of DTC is 55 Water Street, New York, New York 10041. The appropriate common code, the International Securities Identification Number and the Committee on the Uniform Security Identification Procedure (CUSIP) in relation to the Notes of each Series (other than VP Systems Notes) will be specified in the relevant Final Terms or Pricing Supplement relating thereto. If the Notes are to clear through an additional or alternative clearing system (including the VP, VP Lux, VPS or Euroclear Sweden), the appropriate information will be specified in the relevant Final Terms or Pricing Supplement. Euroclear, Clearstream, Luxembourg, DTC or the VP, VP Lux, VPS and/or Euroclear Sweden, as the case may be, are the entities in charge of keeping the records.
5. Bearer Notes which have a maturity of more than 1 year and any Coupon appertaining thereto will bear a legend substantially to the following effect: "Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

The sections referred to in such legend provide that a United States person who holds a Note or Coupon generally will not be allowed to deduct any loss realised on the sale, exchange or redemption of such Note or Coupon and any gain (which might otherwise be characterised as capital gain) recognised on such sale, exchange or redemption will be treated as ordinary income.

6. Settlement arrangements will be agreed between the Issuer, the relevant Dealer(s) and the Fiscal Agent, the Registrar or the VP Systems Agent, as the case may be, in relation to each Tranche of Notes.

7. (i) There has been no significant change in the financial position of the Issuer or of the Issuer and its Subsidiaries taken as a whole since 30 September 2013, the last day of the financial period in respect of which the most recent financial statements of the Issuer have been prepared; and
- (ii) save mainly for restructuring changes relating to the Issuer's operations in Ireland, the acceleration of cost initiatives and the uncertainty relating to the Issuer's trading income and issuance income in Danica, there has been no material adverse change in the prospects of the Issuer since 31 December 2012, the last day of the financial period in respect of which the most recently audited financial statements of the Issuer have been prepared.
8. There are no governmental, legal or arbitration proceedings against or affecting the Issuer or any of its Subsidiaries (and no such proceedings are pending or threatened of which the Issuer is aware) during a period covering at least the previous twelve months which have or may have in the recent past, individually or in the aggregate, significant effects on the profitability or the financial position of the Issuer or of the Issuer and its Subsidiaries taken as a whole.
9. The financial statements of the Issuer have been audited:
- (i) in the case of the financial year ended 31 December 2012, by KPMG Statsautoriseret Revisionspartnerselskab ("KPMG") of Osvald Helmuths Vej 4, Postboks 250, DK-2000 Frederiksberg; and
- (ii) in the case of the financial year ended 31 December 2011, by PricewaterhouseCoopers Danmark Statsautoriseret Revisionsaktieselskab ("PwC") (formerly operating as Grant Thornton Danmark) of Strandvejen 44, DK-2900 Hellerup and KPMG,
- in each case being the relevant independent public auditors of the Issuer for the relevant period. Unqualified opinions have been reported on such financial statements and each of KPMG and PwC is a member of "FSR - Danske Revisorer" (Association of State Authorised Public Accountants). The Issuer's Articles of Association and the Danish Financial Business Act provide that the Issuer's Annual Report shall be audited by one or more state-authorised public accountants who shall be elected for one year at a time. The Annual General Meeting on 18 March 2013 approved that KPMG will be the sole state-authorised public accountants for the Issuer for 2013.
10. The Irish Listing Agent is Arthur Cox Listing Services Limited and the address of its registered office is Arthur Cox Building, Earlsfort Terrace, Dublin 2, Ireland. Arthur Cox Listing Services Limited is acting solely in its capacity as listing agent for the Issuer in connection with the Notes and is not itself seeking admission of the Notes to trading on the regulated market of the Irish Stock Exchange.
11. For as long as the Programme remains valid with the Central Bank, hard copies of the following documents will be available, upon request, free of charge, from the registered office of the Issuer and from the Specified Office of the Paying Agent for the time being in London (where applicable, with an English translation thereof):
- (a) the Articles of Association of the Issuer;
- (b) the Agency Agreement;
- (c) the Deed of Covenant; and
- (d) the Dealership Agreement.

For as long as the Programme remains valid with the Central Bank, copies of the following documents will be available on the website of the Central Bank at <http://www.centralbank.ie/regulation/securities-markets/prospectus/Pages/approvedprospectus.aspx>:

- (a) a copy of this Base Prospectus and any Final Terms relating to Notes which are admitted to trading on the Irish Stock Exchange's regulated market; and
- (b) any supplements to this Base Prospectus, any future base prospectuses relating to the Programme and any supplements to any future base prospectuses relating to the Programme.

For as long as the Programme remains valid with the Central Bank, copies of the following documents will be available on the website of the Issuer at www.danskebank.com (see "Documents Incorporated by Reference" for more details):

- (a) the Annual Reports (as defined in "Documents Incorporated by Reference");
 - (b) the Interim Report – First Nine Months 2013 (as defined in "Documents Incorporated by Reference");
 - (c) the Previous Terms and Conditions (as defined in "Documents Incorporated by Reference"); and
 - (d) any other documents incorporated herein by reference from time to time.
12. In relation to any Tranche of Fixed Rate Notes, an indication of the yield in respect of such Notes will be specified in the relevant Final Terms or Pricing Supplement. The yield is calculated at the Issue Date of the Notes on the basis of the relevant Issue Price. The yield indicated will be calculated as the yield to maturity as at the Issue Date of the Notes and will not be an indication of future yield.
13. The issue price and amount of the Notes of any Tranche to be issued under the Programme will be determined by the Issuer and the relevant Dealer(s) at the time of the issue of such Tranche in accordance with prevailing market conditions.
14. Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and their affiliates in the ordinary course of business. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such short positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.
15. The language of this Base Prospectus is English. Certain legislative references and technical terms have been cited in their original language in order that the correct technical meaning may be ascribed to them under applicable law.
