

MiFID II product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended) (“**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EUROPEAN ECONOMIC AREA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation (as defined below). Consequently, no key information document required by Regulation (EU) No. 1286/2014 (as amended) (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the European Economic Area has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the European Economic Area may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UNITED KINGDOM RETAIL INVESTORS – The Notes are not intended to be offered, sold, distributed or otherwise made available to and should not be offered, sold, distributed or otherwise made available to any retail investor in the United Kingdom. For these purposes, a retail investor means a person who is either one (or both) of the following: (i) not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018; or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently, no disclosure document required by the FCA Product Disclosure Sourcebook (“**DISC**”) for offering, selling or distributing the Notes or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering, selling or distributing the Notes or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024, as applicable.

2. Ratings

Ratings: The Notes to be issued are expected to be rated:

A+ by Fitch Ratings Ireland Limited ("**Fitch**")

High credit quality. 'A' ratings denote expectations of low credit risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifier '+' denotes the relative status within major rating category.

A3 by Moody's Investors Service (Nordics) AB ("**Moody's**").

Obligations rated A are judged to be upper-medium grade and subject to low credit risk and as such may possess certain speculative characteristics. Modifier 3 indicates a ranking in the lower end of that generic rating category.

A- by S&P Global Ratings Europe Limited ("**S&P**"),

An obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The addition of a minus (-) sign shows relative standing within the rating category.

There is no guarantee that any of the above ratings will be maintained following the date of these Final Terms. Up-to-date information should always be sought by direct reference to the relevant rating agency.

Each of S&P, Fitch and Moody's is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended).

3. **Interests of Natural and Legal Persons involved in the Issue**

Save as discussed in the “*Subscription and Sale*” and “*General Information*” sections of the Base Prospectus, so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer.

4. **Yield**

Indication of yield: 4.119 per cent. per annum in respect of the period from the Issue Date up to the First Reset Date.
