

MiFID II product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II/Directive 2014/65/EU (as amended) (“**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EUROPEAN ECONOMIC AREA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation (as defined below). Consequently, no key information document required by Regulation (EU) No. 1286/2014 (as amended) (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the European Economic Area has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the European Economic Area may be unlawful under the PRIIPs Regulation.

Amounts payable under the Notes will be calculated by reference to STIBOR which is provided by the Swedish Financial Benchmark Facility. As at the date of these Final Terms, the Swedish Financial Benchmark Facility does not appear on the register of administrators and benchmarks established and maintained by the European Securities and Markets Authority pursuant to Article 36 of Regulation (EU) 2016/1011 (the “**Benchmarks Regulation**”). As far as the Issuer is aware, the transitional provisions in Article 51 of the Benchmarks Regulation apply such that the Swedish Financial Benchmark Facility is not currently required to obtain authorisation or registration (or, if located outside the European Union, recognition, endorsement or equivalence).

2. Ratings

Ratings: The Notes to be issued are expected to be rated:

A+ by Fitch Ratings Ireland Limited ("**Fitch**").

High credit quality. 'A' ratings denote expectations of low credit risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifier "+" denotes the relative status within major rating category.

A3 by Moody's Investors Service (Nordics) AB ("**Moody's**").

Obligations rated 'A' are judged to be upper-medium grade and are subject to low credit risk. Modifier 3 indicates a ranking in the lower end of that generic rating category.

A+ by S&P Global Ratings Europe Limited ("**S&P**").

An obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The plus (+) sign shows relative standing within the rating categories.

There is no guarantee that the above ratings will be maintained following the date of these Final Terms. Up-to-date information should always be sought by direct reference to the rating agency.

Each of Fitch, Moody's and S&P is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended).

3. **Interests of Natural and Legal Persons involved in the Issue**

Save as discussed in the “*Subscription and Sale*” and “*General Information*” sections of the Base Prospectus, so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer.

4. **Fixed Rate Notes and Reset Notes only – Yield**

Indication of yield: 4.558 per cent. per annum up to 3 March 2025.

As set out above, the yield is calculated at the Issue Date on the basis of the Issue Price. It is not an indication of future yield.
