6. below.

5.2. By the majority laid down in paragraph two of article 14., the shareholders in general meeting may decide to waive the above pre-emption rights.

6.

I

I. Authority with pre-emption rights

6.1. The Board of Directors is authorised, until 1 March 2018, to raise Danske Bank's share capital by up to DKK 2,500,000,000. The share capital increase may take place on one or more occasions against cash. According to article 5.1., Danske Bank's existing shareholders have pre-emption rights to subscribe for the new shares in proportion to their existing holdings.

6.2. The Board of Directors is also authorised, until 1 March 2018, on one or more occasions to raise loans against bonds or other instruments of debt with access to convert them into shares (convertible loans), and the Board of Directors is authorised to make the related capital increase. Convertible loans may not exceed the amount which may be raised under the authority to increase Danske Bank's share capital, see 6.1.above, according to the conversion price fixed on the raising of such loans as laid down by the terms and conditions of the bonds or other instruments of debt. The exercise of this authority reduces, by a corresponding amount, the authority in 6.1. to increase the Bank's share capital. When the Board of Directors decides to raise convertible loans, the authority to increase the share capital, see 6.1. above, is considered utilised by an amount corresponding to the maximum conversion rights. The conversion period may run for longer than five years after the raising of the convertible loan. Danske Bank's shareholders are entitled to subscribe for convertible loans in proportion to their shareholdings. The decision of the Board of Directors to raise convertible loans must be recorded in the Articles of Association and the Board of Directors is authorised to amend the articles accordingly.

6.3. The new shares are negotiable instruments and are registered by name, but may be registered as issued to bearer in Danske Bank's share register. Taking into account the time at which subscription for shares or exercise of conversion rights takes place, the Board of Directors determines the extent to which the new shares carry dividend for the year of subscription or for the year when the conversion rights are exercised. The new shares carry dividend as from the first accounting year following the year of subscription for shares or exercise of conversion rights. The shares are subject to the same provisions regarding pre-emption rights as those applying to existing shares and rank *pari passu* with existing shares with respect to rights, redemption and negotiability.

6.4. The detailed terms and conditions governing the subscription for shares and the issue of convertible bonds or other instruments of debt are determined by the Board of Directors.

II. Authority without pre-emption rights

6.5. The Board of Directors is authorised, until 1 March 2018, to raise Danske Bank's share capital by up to DKK 1,000,000,000. The share capital increase may take place on one or more occasions. Danske Bank's shareholders are not entitled to subscribe for shares in proportion to their shareholdings. In that case, the new shares must be offered at market price. The share capital increase may be against payment in cash, conversion of debt or as consideration in connection with Danske Bank's acquisition of an existing business.

6.6. The Board of Directors is also authorised, until 1 March 2018, on one or more occasions to raise loans against bonds or other instruments of debt with access to convert them into shares (convertible loans), and the Board of Directors is authorised to make the related capital increase. Convertible loans may not exceed the amount which may be raised under the authority to increase Danske Bank's share capital, see 6.5. above, according to the conversion price fixed on the raising of such loans as laid down by the terms and conditions of the bonds or other instruments of debt. The exercise of this authority reduces, by a corresponding amount, the authority in 6.5. to increase the Bank's share capital. When the Board of Directors decides to raise convertible loans, the authority to increase the share capital, see 6.5. above, is considered utilised by an amount corresponding to the maximum conversion rights. The conversion period may run for longer than five years after the raising of the convertible loan. Danske Bank's shareholders are not entitled to subscribe for convertible loans in proportion to their shareholdings. The decision of the Board of Directors to raise convertible loans must be recorded in the Articles of Association and the Board of Directors is authorised to amend the articles accordingly.

6.7. The new shares are negotiable instruments and are registered by name, but may be registered as issued to bearer in Danske Bank's share register. Taking into account the time at which subscription for shares or exercise of conversion rights takes place, the Board of Directors determines the extent to which the new shares carry dividend for the year of subscription or for the year when the conversion rights are exercised. The new shares carry dividend as from the first accounting year following the year of subscription for shares or exercise of conversion rights. The shares are subject to the same provisions regarding pre-emption rights as those applying to existing shares and rank *pari passu* with existing shares with respect to rights, redemption and negotiability.

6.8. The detailed terms and conditions governing the subscription for shares and the issue of convertible bonds or other instruments of debt are determined by the Board of Directors.

III. Hybrid core capital raised in May 2009

6.9.

a) On 5 May 2009, in accordance with the authorisation adopted by Danske Bank's annual general meeting on 4 March 2009, Danske Bank has – without pre-

emption rights for Danske Bank's shareholders – raised a loan of DKK 23,991,500,000 as hybrid core capital under Danish Act No. 67 of 3 February 2009 on State-Funded Capital Injections into Credit Institutions against the issue of notes of DKK 0.01 each. The loan was raised at par. The terms and conditions of the loan are determined in a separate agreement.

b) At Danske Bank's extraordinary general meeting on 14 May 2009, the shareholders resolved that the notes may be converted into Danske Bank shares at market price at the time of conversion calculated in accordance with the terms and conditions of the loan.

c) The note loan is a perpetual subordinated loan in the form of hybrid core capital issued in accordance with rules determined in the Danish Financial Business Act. The coupon is payable at a rate per annum determined as the sum of i) a reference rate in the form of the government's five-year zero coupon rate on the last trading day before the loan agreement was entered into, ii) plus 6.475 percentage points and iii) with the addition of a further 0.400 of a percentage point, the latter only for the period to 14 May 2014. The rate of interest may be increased in relation to future dividend payments under the terms and conditions of the loan. Danske Bank may redeem the convertible notes up to five years after the loan was raised in accordance with the terms and conditions of the loan. The convertible notes fall due for redemption in the event of Danske Bank's bankruptcy.

d) The convertible notes are issued as bearer notes and held as dematerialised securities with VP Securities A/S. There are no restrictions in the negotiability of the convertible notes.

e) If Danske Bank's hybrid core capital exceeds 35% of the core capital, including hybrid core capital, according to the Financial Business Act, the entire loan or part of it may, until 14 May 2014, be converted into shares in accordance with the terms and conditions of the loan. If the hybrid core capital exceeds 50% of the core capital, including hybrid core capital, the loan will, until the same date, be converted into share capital until the hybrid core capital constitutes less than 35% of the core capital, including hybrid core capital.

f) In the event of a capital increase, a capital reduction, issue of subscription options, issue of new convertible instruments of debt or dissolution, including merger and division, before conversion has taken place, the parties will take the steps required by the terms and conditions of the loan.

g) The largest amount by which the share capital may be increased in connection with a conversion is DKK 23,991,500,000; the smallest amount is DKK 4,798,300,000. The Board of Directors is authorised to make the amendments to the Articles of Association required by the conversion.

h) To the extent that dividend may be paid on Danske Bank's shares in accordance with Danish Act No. 1003 of 10 October 2008 on Financial Stability

and Danish Act No. 67 of 3 February 2009 on State-Funded Capital Injections in Financial Institutions, the new shares will rank pari passu with Danske Bank's other shares from the time of the registration of the capital increase with the Danish Business Authority. All other rights, including voting rights, will apply from the same time. The shares will be subject to the same provisions regarding pre-emption rights as those applying to existing shares and rank pari passu with existing shares with respect to rights, redemption and negotiability.

i) The Board of Directors is authorised, until 1 March 2015, to increase Danske Bank's share capital by a nominal amount of up to DKK 23,991,500,000 without pre-emption rights for the Bank's shareholders with a view to converting the loan stated in 6.9. 6.7. similarly applies to any shares issued by such a conversion.

7.

7.1. The shares must be issued in a denomination of DKK 10 through the Danish VP Securities A/S in accordance with the provisions of law regarding the issue of listed securities, and dividends must be distributed in accordance with applicable rules. Notice of rights in respect of the shares must be given to the Danish VP Securities A/S.

- 10.1.5 Merger and demerger. The Issuer may not enter into a (i) merger agreement (fusionsplan), and the shareholders of the Issuer may not approve such merger agreement, if the valuers declare pursuant to section 134(c) of the Danish Companies Act (aktieselskabsloven) that the consideration paid for the Shares is not fair and reasonable, or (ii) demerger agreement (spaltningsplan) if such agreement may have a material adverse effect on the Danish State's interests.
- 10.1.6 Delisting. The Issuer may not request for a delisting of the Shares from the Stock Exchange.
- 10.1.7 Other. The Issuer may not carry out any transaction or take any other action which would imply that in the event of a conversion of Coupon or Notes pursuant to paragraph 5 or 11 the economic value of the ACPE Shares or the New Shares to be received following the determination of the ACPE Reference Price or Reference Price is less than the value of such ACPE Shares or New Shares (respectively) had such transaction or action not been executed or carried out.

11 ISSUER'S CONVERSION OPTION AND OBLIGATION

- 11.1 Issuer's Conversion Option. For a period of up to and not including the first day of the sixth year from the Issue Date (the "Issuer's Conversion Option Period"), the Issuer may at its discretion and at any time require that Notes be converted at the Denomination of the Notes, with the addition of any accrued and due but unpaid Coupon on the Denomination, in individual tranches of 20 per cent of the Original Number of Notes into New Shares of the Issuer, if the Issuer's Hybrid Tier 1 Capital Ratio exceeds 35 per cent (the "Issuer's Conversion Option").
- 11.2 Tranches. The Issuer's Conversion Option may only be exercised in individual tranches of 20 per cent of the Original Number of Notes at a time, unless a conversion of more than one tranche of 20 per cent is necessary to bring the Issuer's Hybrid Tier 1 Capital Ratio (including with the effect of the conversion) to a level at or below 35 per cent, in which case the Issuer may exercise the Issuer's Conversion Option in two or more tranches of 20 per cent of the Original Number of Notes as is necessary to bring the Issuer's Hybrid Tier 1 Capital Ratio (including with the effect of the conversion) to a level at or below 35 per cent.
- 11.3 Implementation of Conversion. The Issuer's Conversion Option shall be implemented by way of a proportionate reduction and cancellation of the holding of Notes on all accounts with VP in accordance with the from time to time procedures of VP. In exchange for a valid issue of New Shares, the Noteholder(s) will after the Settlement Date cease to have any claim in respect of any Notes converted. To the extent only part of the Notes has been converted, Coupon will continue to accrue in accordance with the terms hereof on the Denomination of the remaining outstanding Notes. The Noteholder(s) shall be obliged to subscribe for the New Shares in the form and manner and to the extent required under applicable law.
- 11.4 Number of New Shares. The Notes to be converted pursuant to the Issuer's Conversion Option shall be converted into a number of new Shares ("New Shares") in accordance with the following formula:
- New Shares = The sum total of the Denomination of all of the Notes to be converted with the addition of any accrued and due but unpaid Coupon on such Notes divided by the Reference Price.
- 11.5 Rounding. If the Denomination of the Notes which are converted does not correspond to a whole number of New Shares in respect of any account with VP, the number of New Shares

shall be rounded downwards to the nearest whole number. No fractions of New Shares will be delivered on conversion. Any balance on the Notes which may thus not be converted into New Shares, shall be paid in cash at par value of the Notes in connection with the conversion in accordance with the from time to time standard procedures of VP.

11.6 Reference Price. The reference price ("Reference Price") expressed in DKK per Share shall be calculated as set out in paragraphs 11.6.1 - 11.6.3:

11.6.1 No Price Sensitive Information. If the Issuer (i) is not in possession of Price Sensitive Information on the Conversion Announcement Date, (ii) has not been in possession of Price Sensitive Information within the last 5 consecutive Trading Days (and any other day within that period) prior to the Conversion Announcement Date, and (iii) do not believe or foresee, after having made due enquiry into the business, assets, liabilities, condition (financial or otherwise), results, and operations of the Issuer and the Issuer's Group, that it will become in possession of Price Sensitive Information within the first 10 consecutive Trading Days (and any other day within that period) after the Conversion Announcement Date, the Reference Price shall be calculated in accordance with the following formula:

The Volume Weighted Average Price of the Shares calculated over a period of three (3) consecutive Trading Days before the Conversion Announcement Date (excluding the Conversion Announcement Date) minus 5 per cent.

11.6.2 Price Sensitive Information. If paragraph 11.6.1 does not apply, the Reference Price shall be calculated in accordance with the following formula (subject to paragraph 11.6.3):

The average of (i) the Volume Weighted Average Price of the Shares calculated over a period of three (3) consecutive Trading Days before the Conversion Announcement Date (excluding the Conversion Announcement Date) and (ii) the Volume Weighted Average Price of the Shares calculated over a period starting on and including the Conversion Announcement Date and the two (2) consecutive Trading Days after the Conversion Announcement Date.

For the avoidance of doubt, in the event that the Issuer is in possession of Price Sensitive Information, such Price Sensitive Information shall be disclosed to the public in accordance with applicable law no later than on the Conversion Announcement Date. If the Issuer believes or foresees, after having made due enquiry into the business, assets, liabilities, condition (financial or otherwise), results, and operations of the Issuer and the Issuer's Group, that it will become in possession of Price Sensitive Information within the next 10 consecutive Trading Days, the Conversion Announcement shall be made no earlier than on the date of disclosure of such Price Sensitive Information.

11.6.3 Expert. If the Shares are not actually traded on the Stock Exchange on any Trading Day within the last three (3) consecutive Trading Days prior to the Conversion Announcement Date (excluding the Conversion Announcement Date) or, if paragraph 11.6.2 applies, the Shares are not actually traded on the Stock Exchange on the Conversion Announcement Date or on any Trading Day within the first two (2) Trading Days after the Conversion Announcement Date, the Reference Price shall, after consultation with the Issuer and the Danish State, be fixed by an independent investment bank of repute, appointed by the Danish State after agreeing with the Issuer, whose written opinion shall be conclusive and binding on the Issuer and the Danish State, save to the extent of manifest error. If the Reference Price is to be determined by an investment bank, the conversion of the relevant Notes shall notwithstanding paragraph 11.12 take place as soon as possible after the investment bank has informed the Issuer and the Noteholder(s) of the Reference Price. The Issuer shall bear all costs to the investment bank. This provision shall cease to apply as and when the Danish State no longer is a Noteholder.

11.7 Delivery. The New Shares shall be delivered on the Settlement Date in dematerialised form through VP to the account of the Noteholder(s) in which the Notes converted were kept and otherwise in accordance with the from time to time standard procedures of VP.

11.8 Pari Passu Shares. The New Shares shall carry the same rights as the Issuer's existing Shares on the Conversion Date and shall be listed on the Stock Exchange. The New Shares shall be negotiable instruments and shall be freely transferable. The New Shares shall carry the same right to dividend as from the time of registration with the Danish Commerce and Companies Agency (Erhvervs- og Selskabsstyrelsen) as the Issuer's Shares on the Conversion Date.

- 11.9 Conditions. The Issuer's Conversion Option can only be exercised (including pursuant to paragraph 11.11) and a Notice of Conversion can only be delivered if each and every of the following conditions are met:
- (a) the Issuer has obtained the necessary corporate authorisation by a general meeting of the Issuer to issue the New Shares to the Noteholder(s) in exchange for Notes as set out in this paragraph 11;
 - (b) the Issuer has on or before the Conversion Date presented a legal opinion from the Issuer's external legal counsel to the Noteholder(s) in a form and with a content satisfactory to the Danish State confirming that the Issuer has the necessary corporate authorisation to issue the New Shares as set out in this paragraph 11, and that the New Shares are duly authorised and will be validly issued and, when issued, will rank pari passu with the Issuer's Shares on the Conversion Date;
 - (c) the Issuer's articles of association contain no restrictions on negotiability, ownership, voting rights, etc.;
 - (d) the Issuer has not entered into liquidation or suspended payments and no petition for bankruptcy has been filed against the Issuer; and
 - (e) no Corporate Action which may have an influence on the price of the Shares is pending or announced within the period of 5 consecutive Trading Days before and 10 consecutive Trading Days after the Conversion Announcement Date, or, if the Reference Price is determined in accordance with paragraph 11.6.3, within the period relevant for the investment bank's determination of the Reference Price.
- 11.10 No adjustment. The Reference Price shall not be subject to adjustment as a result of the Issuer's increase or decrease of share capital, issuance of warrants on the Shares or convertible instruments, merger or demerger.
- 11.11 Issuer's conversion obligation. If the Issuer's Initial Hybrid Tier 1 Capital Ratio exceeds 50 per cent, the Issuer is obliged to exercise the Issuer's Conversion Option in individual tranches of 20 per cent of the Original Number of Notes to the extent (and only to the extent) necessary to bring the Issuer's Initial Hybrid Tier 1 Capital Ratio (including with the effect of the conversion) to a level at or below 35 per cent.
- 11.12 Exercise of Issuer's Conversion Option. If the Issuer wishes or is obliged to exercise the Issuer's Conversion Option as set out in paragraphs 11.1 and 11.11, respectively, the Issuer shall give a notice ("Notice of Conversion") to the Noteholder(s) and the public to this effect, in accordance with the rules of VP, the rules of the Stock Exchange and applicable law, no less than 3 Trading Days and no more than 5 Trading Days prior to the Conversion Date ("Conversion Announcement Date"). The Notice of Conversion shall be unconditional and irrevocable and shall be in the form attached as Appendix 3. The Notice of Conversion shall be given prior to the opening of the Stock Exchange on the Conversion Announcement Date. No later than on the Conversion Date and prior to conversion of the relevant Notes, the Issuer shall give a notice to the Noteholder(s) and the public of the Reference Price in accordance with the rules of VP, the rules of the Stock Exchange and applicable law.
- 11.13 Tax. The Issuer shall pay any and all Taxes of the Noteholder(s) arising on exercise of the Issuer's Conversion Option.
- 11.14 Costs. The Issuer shall bear any and all costs to VP and the Noteholder(s)' depositaries arising on exercise of the Issuer's Conversion Option.
- 12 BREACH OF CONDITIONS
- 12.1 Breach of Conditions and Remedies. In case of Issuer's breach or anticipatory breach (anteciperet misligholdelse) of its obligations under these Conditions, each Noteholder is entitled to exercise any remedies in accordance with Danish law, including to institute legal proceedings to enforce its rights. For the avoidance of doubt, the remedies of the Noteholder(s) may not result in the Issuer having to pay any amount under these Conditions at an earlier time than when the amount would otherwise have been due and payable hereunder, except as set out in paragraph 12.2.

12.2 Cessation of Business. It shall (without limitation) be considered a breach of these Conditions if (a) Issuer has entered into liquidation, (b) a bankruptcy order is issued against the Issuer, or (c) the Issuer's authorisation as a credit institution is cancelled and the Danish Financial Supervisory Authority has approved a winding-up of the Issuer through other means than liquidation, bankruptcy or merger in accordance with Section 227 of the Financial Business Act. If an event as set out in this paragraph occurs in respect of the Issuer, any Noteholder(s) may notify the Issuer that the Notes are due and payable at the amounts set out in paragraphs 8.4 to 8.6 (paragraph 8.4 applying as from the first day of the fourth year from the Issue Date) or, if the Notes were to become payable before the first day of the fourth year, at par value.

13 AMENDMENTS AND NO CONSENT

13.1 Amendments. Any amendment to these Conditions which entails that the Notes do not constitute Hybrid Tier 1 Capital shall be subject to the prior written approval of the Danish Financial Supervisory Authority.

13.2 No Consent. Notwithstanding the provisions of these Conditions, the consent of the Danish Financial Supervisory Authority shall not be required under these Conditions, and the Danish Financial Supervisory Authority has no powers vis-à-vis the Issuer, if the Issuer no longer is subject to supervision from the Danish Financial Supervisory Authority in accordance with the Danish Financial Business Act.

14 GOVERNING LAW AND JURISDICTION

14.1 Governing law and jurisdiction. These Conditions shall be governed by Danish law. Any dispute arising out of or in connection with these Conditions shall be brought before the Copenhagen City Court. The Issuer or any Noteholder may, however, request that the case be sent for trial in the Danish Eastern High Court.
